R. Poney, one of our numerous readers at inavene called at these steam headquarters and left enough "penny" to tell the THE CHIEF for a twelve months. J. W. Smith, who for several years past has been a partner of M. W. Dickerson in the commission business has opened up a meat market in the room just north of Henry Cook's. It will be known as the "Central." Mr. S. is a pleasant gentleman and will have a large trade. THE CHIEF wishes him much success. How strange that the democrats will contend that the democratic ticket is the offspring of popular opinion, and that too in the face of the fact that Charly Cather a big stockholder did his best to get Fasser nominated by the people. Oh, you, you will know Mr. Democrat, that Fasser is the outcropping of the great nest of boodler bolters, the big S, who are today working for his election. McKeeby's gall as shown in his last issue of the McKeebite in regard to circulation and advertising patronage takes the cake. We will wager an old hat that his paper hasn't 200 absolute subscribers, and it is a very easy matter to get advertising if you don't charge for it. We know of several ads he carries that have been dead for months. Come, docky, don't try to "bamboozle" the people with false statements about your paper. You know you are lying. The other day W. E. Jackson's house was raided by thieves in daylight and a gold watch and a purse of money taken. No clue. People should watch their houses closely. Only yesterday Mr. T. C. Hackett went home and found a well dressed man (evidently a burglar) applying for something to eat. He was summarily fired. It was evident that the fellow only used the hungry dodge to get into the house to discover the easy methods of burglarizing it. Said a leading democrat to THE CHIEF the other day. "I had intended to vote for Fasser until recently. I am not acquainted with him personally, but from what I heard of him, I had formed a favorable impression. But when he tried to get the prohibition nomination the other day it made me tired. Why, in certain parts of the county Mr. Fasser and his followers are fighting Hummel on the ground that he's a temperance man, and yet in comes Fasser and tries to get a prohibition convention to endorse him. This is altogether too thin, I shall vote for Hummel."

Is giving splendid satisfaction to the trade and the sales are steadily increasing, which can be accounted for in no other way except that it is without doubt the best on the market. Ask for and be sure you get the genuine. We keep it. C. L. Cotting, Druggist.

There is nothing a man should be so careful about as section 12 cough syrup. Beggs' Cherry Cough Syrup costs no more than the cheap and inferior preparations thrown on the market. The best is now to be had, and get BEGGS' CHERRY COUGH SYRUP. We keep it on hand at all times. C. L. Cotting, Druggist.

The greatest wonder of the 19th century, a carpet exhibitor showing just how a carpet will look when on the floor at F. V. Taylor's.

What a Fortune. A good healthy, peppy child. Few are aware of the short time it takes for a disordered liver to cause blotches on the face and a dark grubby skin. One bottle of BEGGS' BLOOD PURIFIER and BLOOD MAKER will restore this organ to its normal and healthy state, and cleanse the blood of all impurities. It is meeting with wonderful success. We guarantee every bottle, C. L. Cotting, Druggist.

Sound Advice. Now the Herald believes in fair play. Mr. Hummel is the redoubtable nominee. With factional fights at Red cloud the voters of the county have nothing to do. Let Red cloud settle its own fights in its own way, or let it keep on fighting, just as it pleases. It is the duty of republicans to support their ticket. Red cloud is not Webster county, and if the republicans there are so foolish as to bring discord into their party, let them confine it to the county seat. The country precincts want nothing to do with their little jangles. This county is overwhelming republican. A few gentlemen in Red cloud think they can make it democratic whenever they please. They have tried it before and failed. We rather think they will experience a more dismal failure this time. Vote straight and elect the entire republican ticket.—COWLES HERALD.

Laws for Congress. At the republican congressional convention at Hastings last Monday, that noble patriot and soldier, Gilbert L. Laws, was nominated for congress. There were several ballots taken, and several men in the field, but G. L. Laws, Geo. E. Hastings, N. V. Harlan were in the lead, and finally when Webster county changed its vote to Laws, it seemed to be the signal for a general change, and Laws was declared the unanimous choice of the convention. Mr. Laws will make an able congressman and will represent the district in an able manner.
