CITY CLATTER.

Trusted by Our Alert Reporters, and Prepared for Our Readers.

On Our Back.

Ed. Docket? [Patent applied for.]

Boodle did it. Our name is Dennis. A Waterloo and a big one. Bolters are in the majority. The fight is over. Lets have peace. The other fellows had the gravel train. It was a cold day for straight republicans. Plumb can now pay off those milk checks. Political piracy did the work on Tuesday. The delegation from Denver did the work. Farmers can now husk their corn in peace. Irving Cummings has gone to Peatrice to live. The battle was hard fought and we were "taken in."

Ed. Highland and family were in the city this week. "Doc leedle German band" did the business Tuesday.

It was funny to watch the democrats vote as they shot. Geo. Trainger an old Red cloud boy was in the city this week.

We always said that Fassler would be elected didn't we docky.

Fraud, corruption, money and numerous bolters elected Fassler.

We now bury the hatchet leaving the handle sticking out for future use.

The great republican party still lives, notwithstanding Geo. Hummel's defeat.

We met the enemy, in fact we met them most too much to feel very good this week.

Plumb is in the soup from this on. A prohibition paper that works for a democrat is no good.

E. J. Solomon invaded our sanctum this week and left a couple of shiners for this Great Family Weekly.

The county funds will be in possession of W. N. Richardson and our fit for the next two years. The people did it.

There's no one that can flop quicker than us. We are for Fassler (now that he's elected) because we have to be.

We are indebted to Clark cather for enough precious metal to pay for the Great Family Weekly one year. Thanks.

Dr. Moranville has moved his office from the sleeper building to Mr. Bentley's building, first door north of the Chief office.

The democrat party is triumphant. The Chief has no fight against straight democrats but is not particularly in favor of bolting.

Glory enough for one day. Charles cather was defeated for county clerk. The first ward. He had a "Foe" that he could not down.

Dr. Moranville puts us under obligation to him for a shiner for the Great Family Weekly. The doctor is building up a nice practice in this city.

The editor of this paper left three lay mornings for Illinois, thinking that a change of climate would be beneficial to his health after Tuesday's election.

Plumb is responsible in part for the election of a democrat, and the defeat of a sound temperance man. The prohibitionists will settle his hash we think.

The bolting faction spent hundreds of dollars on election, having paid as high as \$50 for votes in this city and it is said that they purchased one entire township.

The battle is over and we have been whipped. We submit to the voice of the people who are responsible for the election of a democrat. We are sorry, but it can't be helped.

Our friend Ester has his name on the immortal band of Benedicts. Since Ester, my son and your bride live a long and prosperous life. It is the best wish of the Chief.

R. M. Martin & Son have got their new goods in position and will have one of the finest dry goods stores in the west. Both are experienced dry goods men and we wish them success.

If the bolters will now work and spend money just as freely for the candidate of Red cloud as they did for the election of Fassler, Red cloud will be on a big boom before many days.

Gone Democratic.
Returns from all counties of Iowa by full vote or estimated majorities, indicate the election of Boies, democratic candidate for governor, by a small plurality, probably not over 3000. The vote is running so close, with so many unexpected changes, that almost the entire vote will have to be known before definite results can be ascertained. It is probable that the republican state ticket, with the exception of Hutchinson, is elected by a small margin.—Omaha Republican.

Departed This Life.
Dr. E. E. Sheer one of Webster county's oldest citizens, and one of the pioneers of the state died at his residence Sunday morning at about six o'clock. The doctor was well known to most of our citizens, and enjoyed the respect of the community. He was for many years engaged in the practice of medicine in this city and enjoyed a lucrative patronage. He also owned and ran what is now Deyo's drug store for a number of years. Finally his health gave way and he was compelled to quit active business life for one long and arduous but his health still continued to fail, and he finally succumbed to the inevitable and passed from this earth to the land beyond the blue. May he rest in peace. His sorrowing family and friends have the heartfelt sympathy of the community in this, their hour of trouble.
