The twin sisters, the Democrat and the mugwump Republican now seem to be using the same matter, or both editors stealing from the same exchange, and neither giving the proper credit. This is certainly hard on their readers, as both papers are printed on the same press, and sent out on the same subscription list.

"Dom Pedro the dethroned Brazilian monarch, dr. wa a peasion of \$450,000 and arrears of \$2,000,000. It is better to be a mustered out emperor than an alderman, or editor of a metropolitan country newspaper.—Democrat-Republican."

But they are both amateurs in the business. It takes time and expense to become proficient in any trade or profession. Keep on boys you will learn after while.
