It will be seen that the above list is very small. Those whose names are given herein are worthy of the more honorable mention from the fact that they have made a perfect record in an atmosphere of irregularity. Our young people, as a rule, have yet to learn that it is discreditable to be habitually absent from school. I greatly wish that I may be able to present a longer list the next time; and to this end I urge parents and all good citizens to discuss these things until there shall be such a sentiment created as will make irregularity as unpopular as it is now popular. Respectfully

A. K. GOUDY,

City Superintendent.

The special quality of Ayer's Hair Vigor is that it restores the natural growth, color and texture of the hair. It vitalizes the roots and follicles, removes dandruff and heals itching humors in the scalp. In this respect it surpasses all similar preparations
