WALNUT CREEK

A few days ago I got a chance to go to Red Cloud with pop. I wuddent hev got to go, only the last time pop went he cum home with um yellow hair on his cot and sum other things in his pocket that mam found. Mam hummed pop on his way this time and giv me 5 cents and told me to keep hales on him. I told pop and he giv me 10 cents. I saw lots of queer things. Pap was standin talking to a man and all at once said "There's a no out in town" and then they both laffed. I looked but didn't see any out. We went around to see L'kie Joe but he had 1 eye giv on bratches, and wuzt reeeovin humpny Joe and I used to belong to the literary. I saw a funny lookin man go around with a big iron thing in his hand. Pap said it was Peter Funk. I asked pop what he was doin with that funny lookin iron. Pap said it was a crank and Pete was goin to smash it into the Alliance and grind out sum thin fat, and then he wuzt grinded. He told me Pete used to be an Injun and was called by cum. Colowu, by others. Cold-day when I got left, but last fall he got a change of herte and hed turned to read and rite and had a peace in the Red Cloud weekly paper that ya had to stan on yure hed to read. Pap said sumthin about demphool but I didn't jist hetch on as I saw Jeff Meyers comin down street. He had on a new rate of cloze and looked real nice. Pap an' him got to talkin politics. The are both demmycrats and feel party blow. Jeff said, "The Alliance is goin to sweep everything and so demmycrats mite as well hilt." Pap said, "While there's life, there's hope" and Jeff got thunders mad and begin to spit on his hands but while Jeff was getting ruddy pop hid behind wuz ur big feet Jeff's feet I mean. It was a close shave but pop is not to dodgie. Pap took me around to see Mr. Hoomeer. I heard Peter Funk say that Tim Chize was a demmycrat paper but I didn't see any. Pap said why Peter called it that was becus it appeared to hev a monopoly of the know and he/Pete had to borrow it to keep posted and becus it was the first paper in the county to print Alliance news on which it had a monopoly for a time until the other papers found out that the some of Alice was Ed. Now it dazent have a monopoly of Alliance news no more. Pap said Jim Vance wuzent the only man that no how to hetch on. I saw a long and weedy thing cuming down street. I asked pop what it was. He said

it was a supervisor. I asked him what that word meant. He said super meant extra and vice meant mark. I rather guess they follovs ar rather extra and pop says they are foolism extra. Pap is a demmycrat and says he couldn't hold his job if he didn't swear wuzent in a while. Not talking about swearing ya out to have herd him wuz he wuz up to a door and found it locked I hed all I could do to keep him from gettin a chunk wuz to bust the door in with. You see pop was loked out of the show how wuzent. A fellow cum along and asked me to go to lub at his team and then pa quibled in and commenced to smile. I guess it was a party so team on they went to see it ever see many times. We went around and saw Herb Scott. Pap said he was the whitest man in the county but he loked party Red to me. Pap said it would make any man lub red to lift as many machines in farmers waggons as he did every day. We watched along ways and saw a lot of men talking. We are approaching the hardy some of tall pap asked in audible tones (he heps getting more audible all the time) "Gentlemen are you talking about the tariff?" "Oh, no sir," and they wuzent they polite and wuzent in ludy that pop spoke in audible tones "we were just wondering who we could strike for a luh." Gentlemen, and pap, dont you know that Andrew Jackson wuzent and that a man that dar biggest enginered money out to bust." "Who is that A. J.," and one. Pa commented to explain and one duffer said, "Is he dead?" Pap and cuming that cumed the h and walked off mutterin sumthin a yarin wuzent in some ludy. Ap you follow. It was galdin ludy and met Jeff Ward. Jeff sat ya luh to our house before eleven and luh my sister and the time but he didnt no more. Jeff told pop Walnut creek was wuzent and wuzent wuzent. If I got a chance to cum to town again I will let you see but I am in a ludyer place. Pap see it depend. Mam says I gher her the duble cross and ur brother Cayer yote it, it is party had to see I masters at once but then that's what kids like me has to do.

LITTLE BARN.

Another wonderful discovery had been made and that too by a lady in this county. It was found in a cistern upon her and for seven years she withstood its secret but her vital organs were undamaged and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle had been miraculously cured. Her name is Mrs. Lathrop. This was W. C. Hamrick & Co., of Albany, N. Y. - Get a free trial bottle at Henry Cook's Drug Store.
