

RED CLOUD CHIEF

A. G. ROSSER, Editor. RED CLOUD, NEBRASKA

CURRENT COMMENT.

The Pops is preparing an encyclopedic hour of labor question.

PANAMA railroad employees have struck against a reduction in wages.

KING CHARLES of Portugal, was suffering from an attack of typhoid fever, the result of drinking polluted water. The attack was not severe.

The largest sailing vessel afloat has been launched at Glasgow. She is a five-masted ship of 3,700 tons burden and is intended for the nitrate trade.

Mrs. WOODWORTH, the well known evangelist, is accused by physicians of being insane. The manifestations of insanity, it is stated, are due to hypochondria.

The Pennsylvania Railroad Company has prevented a strike of its Pittsburgh shoppers by granting their demands for a return of work, but not for increased pay.

The Census Office has completed the compilation of some 25,000 accounts of cottonpickers, which is about half of the entire number. Only about 8,000 operators, however, have as yet been paid.

The largest firms in the country are using an advertising contract method of dealing in concert with workers. No factory will employ any one who has left another factory on strike.

Rev. Dr. Heman Newton has formulated his plan for the clerical campaign in New York this fall. He expects that the clergy of all denominations will lead the church militant in a battle against Tammany Hall.

The executive committee of the National League of Republican Clubs in Connecticut, N. Y., has decided to endorse the Federal Election bill and fight the next Congressional campaign on the lines of the last campaign.

GALENA, Ill., the home of Grant, was a rival of Chicago from 1845 to 1856. It was considered the "future great" city of the West. But of recent years it has begun to decay, and at present it has only 8,000 people, though it once had 30,000.

Two of the largest natural gas wells ever developed in the Pittsburgh district have been struck lately. The gas from these wells is sufficient to run half the mills in the city, and pretty thoroughly explodes the stories that the gas is giving out.

HON. ANTHONY J. MUNDILLA, M. P., speaking at Sheffield, England, declared that the McKinley bill was an insane measure, but it would be absurd to retaliate by taxing food imports, especially when there was a prospect of a famine in Ireland.

Among the best customers for Strain machinery is situated throughout the industry is largely developed in America. Germany takes about 17,000,000 francs worth of Strain watches annually. Great Britain 13,000,000 francs and France 5,000,000 francs.

Merchants from Buenos Ayres represent that the National Bank was plundered of about \$200,000,000 in so-called loans to the ring that surrounded the late President. Claims are being made by the National Argentine loans due in Europe were promptly paid.

The present Harper grandsons of the original printers, but they retain their adherence to the craft. They are still printers, and each one of the family that enters the firm must first learn the trade. He starts as an apprentice and is admitted to the firm only when he has mastered the craft.

It is now found by the makers of quick firing guns that firing by electricity is under certain conditions preferable to firing by means of discharge. It is more certain, and the absence of a percussion fuse removes all danger of premature explosion which might result from any sudden shock to the fuse.

The President has received a cable message from the Cuban rebels protesting against his assassination by the Cuban authorities. He is a passenger on an American steamship and calling upon him to exact reparation for the outrage of which they are innocent victims. The telegram was referred to the State Department for "information and report."

HOELLER, who commanded the Bavarian regiment which was forced to march at full speed from Würzburg to Markheim, after the discharge of the recent maneuvers, has been dismissed from the service. Of the 300 who fell by the way from fatigue many will never recover their health. Three died and six committed suicide by throwing themselves into the river Main, having been rendered insane by their sufferings.

E. K. BARNETT, the brother-in-law of Stanley, was asked at Newport if there was any truth in his reported engagement to Miss Furness, of Lenox, and declared there was none. "While I know Miss Furness and esteem her as a high-minded and an accomplished philanthropist," said Mr. Tennant, "there is no truth in the report of my engagement." Tennant also says that he is not to manage Stanley here and is not engaged to the daughter of Senator Belmont. He is to manage the estate as demanded in America for sensational purposes.

The quality of meat thrown overboard at the Atlantic is very great, and the meat is being sold at a profit to British ports in one Canadian vessel, consisting of 61,000 head of cattle, 1,170 sheep and 1 pig were sold at the depot during the week ending the 28th inst. and the rest of the 430 animals exported to the United States to England, Canada, and other foreign ports.

The Turkish soldiers at Jerusalem were expelled from the city. The French Consul protested against their expulsion, but without avail.

The New York State Board of Arbitration commenced an inquiry into the New York Central strike on the 28th inst. The evidence on the Northern Pacific at Eagle Grove, Washington, caused the death of two persons and the serious injury of twelve.

The Labor Congress met at Livermore, Cal., recently. The six persons on board were drowned.

By the food in the river Novas at St. Petersburg several persons were drowned and others seriously injured.

The carpenters' strike at Chicago, which commenced with so much promise on the 1st, ended in a state of peace on the 28th inst.
