NEW YORK, Oct &-Louis Beenst adsome young medical student from Paris, whose folks are said to reside on the Faubourg St. Germain, while in London made the acquaintance of leome American woman while she was attending the Covent Garden Thea-ter with a matrouly woman who passed as aunt and chaperone. Becant continued the acquaintance, meeting and correspond ng with the young woman, who described herself as Miss Illanche Richardson, a graduate of Vassar College and a resident of Boston. Their intimacy became so close that the young medical student gave up his professional studies and started with the American girl to see the sights at Monte Carlo. Later the medical student left Monte Carlo, at his companion's solicitations, and came to America on a fiving visit. He and his Vassar prize took up a flat elegantly furnished, on Thirty-fifth street, near Seventh avenue, but had

been there only few days when a young man who was introduced by Blanche as her "Coustn Harry" came to dinner. After dinner a game of cards was introduced. A limit of \$5 was fixed and at its conclusion "Cousin Harry" had just lost \$200. Besant took a fancy to "Cousin Harry' and invited him to call again the following evening to try and win back some of his money. "Cousin Harry" did so, and not only succeeded in winning back the \$200 he had lost, but almost \$700 in addition.

The young student became suspicious and the next day informed his compan-Mrs. Cooney went to spend the evening a flying visit to see a college cham whom he had met at one of the hotels. He did not go to Washington, but to Boston to look up the antecedents and connections of his Vassar companion. There he learned that Blanche had graduated at Vassar and was a member of a prominent family, but had fallen from grace and left the Hub to accompany a well known adventuress to Eu-
