TUESTY SOUARES BURNED OVER.

Causes Great Racisement - Loss,

0000,000. MOSTLE, Als., Oct ST .- The most disstrons conflagration ever known in this city began about 12:30 o'clock yeserday afternoon in the shingle mill of Stewart & Butt, and owing to the strong northwest wind prevailing was not checked until five o'clock in the after-

soon, and only then after a favorable bange in the wind. The total damage Was \$500.000

The scene of the fire was the extreme northern and of the city, and 5,630 bales of cotton, five cotton warehouses, three cotton compresses, two large cotton seed oil mills, the big ice factory, the wood and coal yards, three of the river steamboats, six wharves, a box factory and Mobile Fertilizer Company's works were

destroyed. There was no loss of life although many of the firemen were overcome with heat and smoke and many narrow escapes from falling walls occurred. ava ling. He has been identified by a The paid fire department fought man-

fully and were assisted by many old volunteer firemen in the face of smoke the collar factory at Hair, was and fiame. At six o'clock the fire was His well under control and no fears were entertained for its spread any further. lle The alarm for the fire at Stewart & Butts' mill had scarcely come in when a second alarm was sounded for the burning of

the residence of Mosely F. Tucker, on Dauphin near Broad, which was completely burned, only a small quantity of furniture being saved. The residence

on, of Risings, recently wandered into adjoining it, belonging to Mrs. Ed Har-acornfield and was lost. The whole town rington, caught from Tucker's and was also destroyed.

The two alarms being followed by general alarm caused the greatest exspasms, and was in a critical condition citement among all classes, and in their excitement people rushed from one fire

The loss is now estimated at 600,000, with about \$400,000 insurance. The tracks of all railroads centering here have been obstructed by the debris in the burned district.

TARIFF BILL ERRORS.

S Bill That He Co ale, Separate, Think C.

WARELEGTON, Oct. 24 -Bonator Ma Phoreon very recently wrote as fells to a member of a promisent import house in New York City:

"I beg to call your att the report and Tarif Mil and you about ten days or two weeks agequarto pamphlet of 214 pages. On page 175 you will find amondment 400 and section 3 with the reading matter rolat ing to dra wheeks on tobacco stricted out Turning over to page 176, sixth line from the top, you will find the following: "Conference restores section 36." New, in the Tariff bill before you, you will fad section 30, ending with V cents per ound, 'leaving all the rest of original ection 30 out altogether.

"This emission is fatal to the bill and in the opinion of eminent lawyers berg Senator Carlisle among them, it vitiates the whole bill. It is on internal revenue, but being part of the Tariff bill passed, it stands and falls together." In accordance with this discovery a lector's assessments can not be lodged until liquidation of entry and must be lodged within ten days after that stage in the importer's business with the Gov

ernment Attorney-General Miller positively lectined to discuss the question in any of its bearings, saying that it would be manifestly improper for him to do so Mr. Mason, Commissioner of Internal Revenue, who is specially charged with the execution of the tobacco provisions of the law, confined his remarks in me of the law, confined his remarks in regard to the alleged illegality of the law to the following statement:

"I will obey the law as certified by he Secretary of State. It is not for me to say whether or not the omission of the tobacco provision violates the tariff. Being merely an executive officer of the Government, I must enforce it as I find Anyhow, the tobacco schedule does ot take effect until January 1, so that Congress desires to refund two cents pound on all tobacco on hand when the law takes effect. it has ample time to legislate to that effect."

No alarm is felt here among the friends of the McKinley bill as to the cedents of years an old and experi-enced employe of the House said, leaves way and who was its engineer for sev-no doubt that an error whother ends
