Castoria.

"Castoria is an excellent medicine for chilfren. Mothers have repeatedly told me of its good effect upon their children."

Da. G. C. Oscoon,

"Costoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the roal interest of their children, and use Castoria instead of the various quack nostrums which are distroying their loved ones, by forcing opium,

morphine, soothing syrup and other hurtful scents down their throats, thereby sending them to premature graves."

ALLEN C. Surra, Pres. Conway, Ark. The Centaur Company, 77 Murray Street, New York City.

Castoria. "Casteria is so well adapted to children that

recommend it as superior to any prescription known to me." H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with

favor upon it." UNITED HOSPITAL AND DISPERMENT,
