To California, Oregon, Washington and other Western points—In Pullman Colonist Sleepers Via, the Union Pacific.

The constant demand of the traveling public to the West for a comfortable and at the same time an economical mode of traveling has led to the establishment of what is known as Pullman Colonist Sleepers.

These cars are furnished complete with good comfortable hair mattresses, warm blankets, snow white linen, curtain which secure to the occupant of a berth as much privacy as is to be had in first-class sleepers, plenty of towels, combs, brushes, etc. There are also separate toilet rooms for ladies and gentlemen, and smoking is absolutely prohibited.

Another fact not to be overlooked is that these Pullman Colonist Sleepers are attached to the daily fast express trains thus enabling passengers occupying these cars to make the same time as occupants of first-class Pullman Sleepers.

A charge of \$3.00 for a lower or upper double berth is made between Council Bluffs, Omaha or Kansas City and San Francisco or Portland.

For those furnishing their own bedding free berths are given in Pullman Colonist Cars running between Council Bluffs, Kansas City and Portland.

The Pullman Colonist Sleeper is especially commended for the use of the homeseeker who is moving to the west with his family, and who desires comfortable sleeping accommodations enroute but cannot afford to pay the first-class Pullman Sleeping Car fare.

For matter descriptive of any state or territories through which the Union Pacific runs, or for rates, time of trains etc., etc, apply to E. J. LOMAX, Gen'l Pass. and ticket Agent, Omaha, Neb.
