**A Complete Cure by HOOD'S SARSAPARILLA.**

This is from Mr. D. M. Jordan, a retired farmer, and one of the most respected citizens of Osego Co., N. Y.

"Fourteen years ago I had an attack of the gravel, and have since been troubled with my

**Liver and Kidneys**

gradually growing worse. Three years ago I got down so low that I could scarcely walk.

I looked more like a corpse than a living being. I had no appetite and for five weeks I ate nothing but gruel. I was badly emaciated and had no more color than a marble statue.

Hood's Sarsaparilla was recommended and I thought I would try it. Before I had finished the first bottle I noticed that I felt better, suffered less, the inflammation of the bladder had subsided, the color began to return to my face, and I began to feel hungry. After I had taken three bottles I could eat anything without hurting me. Why, I got so hungry that I had to eat 5 times a day. I have now fully recovered, thanks to

**Hood's Sarsaparilla**

I feel well and am well. All who know me marvel to see me so well." D. M. JORDAN.

HOOD'S PILLS are the best after-dinner pills, assist digestion, cure headache and biliousness.

"Senator Sherman Renews his Attack."

Senator Sherman renewed his attack and refused to be convinced even by the oratory of the Iowa senator. He wanted the senate to do the straightforward thing, and not fiddle about it.

"Give the Fair \$5,000,000 and do not make believe that you are deceiving yourselves in giving it a 70-cent silver dollar, or two 35-cent half-dollars." If the children cry for it, as the senator has said they did, "Why not give them Castoria?" said Sherman. He knew that it was a popular thing with the little ones, more popular he thought than even the souvenir half-dollars would be. The galleries looked down in surprise as these remarks came from Sherman, and congressmen who entered the Chamber just as Mr. Sherman uttered them, dropped into the vacant chairs nearest the door.

The new dam at the mill is being pushed forward rapidly, and in a few weeks more it will be finished, and then Red Cloud will have one of the best water powers in the state. Thanks be to our fellowtownsman, W. S. Garber.

**\$15,000 TO LOAN TO WORTHY STUDENTS.**

**GRAND ISLAND Business College**

No money required to receive an education at this college. The only conditions of admission are a good moral character and an ambition to secure an education. This college has set aside \$15,000 to be loaned during the present year to young people who wish to attend our school, but have not the ready funds. All the time needed will be given in which to pay the loan; and a student can take a full course to graduation without a dollar to begin with.

**IT IS BEST TO PAY AS YOU GO!** but if this is impossible you cannot afford to start in life without an education when you have an opportunity like this. Ten states represented in the attendance and fifty graduates last year. Board in private family \$2.00 per week. We teach the Electric Short-Hand which can be learned in less time than other systems. After you have read the circulars of all other schools, send for our catalogue and we will leave it to your judgment which school in the west ranks first in standing. Address: A. M.
