Non-pull-out

Can only be had on the cases stamped with this trade mark. All others have the old-style pull-out bow, which is only held to the case by friction, and can be twisted off with the fingers.

N. B. Wagoner was in attendance at funeral services Sunday last.

The death angel has during the past few days been an unwelcome visitor in our midst and taken away one of the purest gems to answer to the roll in the land beyond to take up abode in a conquerors eternal home and so it becomes, our painful duty to chronicle the death of little Gertie E. Wagoner who departed this life July 23d, 1893, at the home of her step-father, J. C. Foutz, amid the caresses of loving friends and relatives.

She was born December 5th, 1881, at the place where this precious life took its flight, and accordingly was 12 years, 7 months 18 days of age. The extreme heat and her untiring efforts in her educational pursuits so prostrated her delicate frame that she was taken down with typhoid malaria which fastened upon her and quickly determined her life. Skillful medical attendance did all they could, but the call of Heaven was, "Come Home" and she hesitated not to obey. A few days prior to her death she was some better and hopes were revived in the hearts of friends that she might survive, but she herself never entertained any such hopes. She was an industrious pupil while at school and had already reached an advanced course, always among the foremost in her class and always taking active part in school entertainments and such like. Her mother, Mrs. Foutz, is daughter of William Vandyk of Red Cloud. Her father Daniel F. Wagoner died some years ago and since his death the only surviving brother and later on a half brother and half sister answered the call to the given reaper and passed to the great beyond. The funeral sermon will take place at the U. B. church on Sunday, August 6th. On account of the extreme heat and owing to the absence of the pastor this postponement was necessarily done. Mr. and Mrs. Foutz have the sympathy of the entire community in this hour of their affliction.
