The social dance at the I. O. O. F. hall  
one week ago last Thursday evening is  
reported as being a very happy event.  
Henry C. Richmond of the Platts-  
mouth Herald was in Red Cloud a few  
days this week visiting with old friends.

H. A. Pallister, the renowned lecturer,  
will speak in the Christian church on  
May 11, 1894, on the subject of "Martin  
Luther." This gentleman has some  
very excellent press notices of his lec-  
tures. On the Sunday following he will  
occupy the pulpit of the Christian  
church.  
The editor of this paper wants it dis-  
tinctly understood that he is not a rela-  
tive of the old Sioux chief, Red Cloud.  
Every time the pesky route agents get a  
letter addressed to "Chief Red Cloud,"  
they throw it to the editor of the Red  
Cloud Chief, which causes us many  
anxious moments and some great disap-  
pointments, before we can decide whether  
the letter is a dun or contains money.  
There are many funny things in this  
world. A man told us Saturday that he  
had lived in Webster county seventeen  
years, and within three hours drive of  
Red Cloud, and sold his first load of  
hogs here last Saturday. Surely Red  
Cloud is growing in prominence as a  
hog market. Miner Bros. bought the  
week. That's the way to build up a  
town, make it an object for people to  
come here and trade.

few minutes before.  
A. J. Clute, at one time editor of a de-

It is being suggested that our city  
dads pass an ordinance donating the  
city water to the people. It is a good  
suggestion. Then every one that is will-  
ing to go to the expense of putting in  
the taps could have water without  
further cost.  
Our Competitor, Geo. J. Warren, who  
has served the public as postmaster for  
the last four years, has made an excep-  
tionally good officer. He has always  
aimed to keep the office open all hours  
and otherwise accommodated the public  
No matter who the postmaster is there  
will always be come one to find fault, but  
with all that, he has done his duty and  
made a first-class officer.  
The following is an itemized account  
of what it cost Justice West to attend  
the entertainment Saturday evening,  
just because he went into the opera  
house at 4 o'clock to get a seat: Ticket  
15 cents; fans, 10 cents; papers to read,  
10 cents; boy to bring supper, 15 cents;  
new pair of pants, \$7.00; to say nothing  
of all the pain it cost him; but he said  
he had a seat and saw the show.
