How to get Seed and Feed.

HOUSE ROLL BILL NO. 1.

For an act to authorize County Boards to issue the bonds of their respective counties for the purpose of procuring seed and feed for teams used in cultivating the land on which the seed is planted; to provide for the sale of the same, and to punish the violations of the provisions of this act.

INTRODUCED BY JOHN J. LAMBORN, OF RED WILLOW COUNTY.

Be it Enacted by the Legislature of the State of Nebraska:

SEC. 1. That the county board of any county of this state shall have the authority to issue the bonds of such county, to an amount not to exceed five per cent. of the assessed valuation of the county, or the year 1894, but not to exceed the sum of fifty thousand dollars, for the purpose of raising money to procure seed to be planted and sown during the year 1895, and feed for teams used in planting and sowing said seed; Provided, a special election shall be called at which the question of bonding the county shall be submitted to the people as provided herein.

SEC. 2. If the people of any county in the state of Nebraska shall be in a destitute and dependent condition on account of the failure of crops from drought or other causes over which they have no control, a petition setting forth fact that the people of such county, or a large number of them, on account of the failure of crops in said county are in a destitute and dependent condition, and stating the cause of the failure of crops and the amount of funds which will be required to supply such people with seed and feed, signed by at least one-fifth of the resident electors of such county may be filed with the county clerk praying the county board to call a special election to vote upon the question of issuing the bonds of the county to raise such funds. Whereupon said board shall call an election as prayed for in said petition, and the county clerk for such county shall give notice of such election by publication in two consecutive issues of one or more weekly papers published and of general circulation in such county, and by posting a notice at the polling places in each precinct, and if a majority of the votes legally cast at such election shall be in favor of the issuing of such bonds, then the county board shall issue the bonds of the county payable in ten years with the option of the county to pay the whole or any part thereof after the expiration of five years from the date thereof, with interest at seven per cent per annum which said interest shall be payable annually.

SEC. 3. If any county of this state shall issue its bonds under this act, the board of commissioners provided for in section one of Article VIII, of the Constitution of the state of Nebraska are hereby directed and it shall be their duty to invest any part of the permanent school funds

available, in said county bonds at their par value, if offered to them by the proper officers; Provided, however, that the officer of the county or counties issuing bonds under this act, shall negotiate said bonds at the highest obtainable price not less than par value.

SEC. 4. The county board shall invest the proceeds of said bonds, or so much thereof as may be necessary, in procuring seed and feed for teams, as provided in section 1 of this act, and shall sell the same to such persons only as are engaged in agriculture, at a uniform price to each and every purchaser; and shall take therefor such form of security for the payment of such purchase price as will, in their judgment be just, and best protect the interest of the county. Provided, that the whole of said purchase price shall be due and payable on or before the first day of March, 1896, with interest thereon at the rate of ten per cent per annum until paid.

SEC. 5. No party shall be permitted to purchase any of said seed or feed until he shall have first made and filed with the county board an affidavit showing that he is actually engaged in farming; that he has no seed or feed for his team and is without means to purchase the same, or, if he has any, stating the quantity thereof, the number of acres he owns or has rented, and the number of acres he intends to put into crops for the season, and that he will use said seed and feed for no other purpose than that provided for in this act. He shall also furnish the affidavits of two credible residents of said county and of his neighborhood to the effect that he is a reputable citizen of said county and that they verily believe that the statements contained in his affidavit are true; and, upon such affidavit being made and filed, the same to be preserved in the office of the county clerk, the county board may sell to said party such amount of seed or feed, or both, as they, the said board, shall deem just and proper.

SEC. 6. Any person who after having obtained seed or feed as herein provided, shall transfer or in any manner dispose of said seed or feed otherwise than is contemplated by this act shall be deemed guilty of a misdemeanor and shall on conviction thereof be fined in any sum not exceeding one hundred dollars (\$100) or be imprisoned in the county jail not exceeding three months.

SEC. 6. It shall be lawful for the county board to designate some person to sell the said bonds, and, under their direction, to invest the proceeds thereof in seed and feed and sell the same as provided for in this act, which said party so designated shall give a bond for the faithful performance of his duty, which bond shall not be less than double the par value of the bonds to be negotiated, for the purchasing of seed and feed and selling the same as herein provided, and the person who shall sell said bonds and purchase and sell said seed and feed shall make a full exhibit and settlement with the county board on the tenth day of June, 1895.

SEC. 8. If any person entrusted with the selling of said bonds or the procuring and selling of said seed and feed shall fail to account for and settle in full for the money, seed or feed placed in or coming into his hands, or shall convert any part thereof to his own use he shall be deemed guilty of embezzlement and upon conviction thereof shall be punished accordingly.

SEC. 9. The county board of any county issuing bonds under the provisions of this act shall levy a tax for interest on bonds as it becomes due; Provided, that an additional amount shall be levied and collected sufficient to pay the principal of said bond at maturity; Provided further, that not more than twenty per cent of the principal of said bonds shall be levied and collected in any one year.

SEC. 10. If any person shall swear falsely in the affidavits provided for in this act he shall be deemed guilty of perjury and shall upon conviction thereof be subjected to the legal penalty.

SEC. 11. Whereas an emergency exists this act shall be in full force and take effect from and after its passage.

The people of this county will take notice by the above law that if any aid is to be had they must circulate petition as provided in the above act.
