LA GRIPPE.

### Some Recent Reports Concerning the Ravages of this Prevalent

Dr. Hartman is constantly receiving letters from all parts of the United States from people who have suffered from la grippe or are suffering from it. The Doctor's remedy, Pe-ru-na, is found to be of great value in the treatment of this disease. N. N. Coons, Monmouth, Ill., writes: "Last fall I was taken with la grippe and was unable to do my work. I consulted several of our best dectors but found very little relief. I saw one of your advertisements and concluded to give your Pe-ru-na a trial. I bought two bottles and was surprised at the good it did me. I used it all and bought six more bottles and was soon able to go back to my work. I think your Pe-ru-na is an excellent medicine and I have recommended it to others." Geo. W. Norman, 2531 Nicollet Ave., Minneapolis, Minn., was also cured of la grippe with Pe-ru-na.

Many cases of cures of la grippe are recorded in Dr. Hartman's latest book on chronic eatarrh and catarrhal diseases. The book contains 64 pages, instructively illustrated. It will be sent free for a short time by The Pe-runa Drug Manufacturing Company, Columbus, Ohio.

Vineland, Wis. From the Winneconne, (Wis., ) Local. "Another cure by Dr. Fenner's Medicines I was very much like my neighbor, Mrs. Care

(a bad case of skin eruption heretofore reported as cured by Dr. Fenner's Blood and Liver Remedy and Nerve Tonic and his Salt Rheum Ointment), only the doctors called my disease Erysipelas for a number of years and it was afterwards pronounced by doctors to be Salt Rheum. At the age of 16 I was

to be sait Kheum. At the age of 16 I was afflicted with it, and at the age of 20 I was so bad I could hardly walk.

I found no relief until I commenced taking Dr. Fenner's Blood and Liver Remedy and Nerve Tonic, and in three months I was enjoying good health after suffering more than 45 years. A number of cures equally as wonderful by Dr. Fenner's Remedies will appear in this paper later."
