The Best Remedy for Rheumatism.
From the Fairhaven (N. Y.) Register.
Mr. James Rowland of this village, states that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the physician he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or a pain and finds that it always gives relief. He says that no medicine which she had used ever did her as much good. The 25 and 50 cent sizes for sale by H. E. Grice, Druggist.

Indigestion is often taken for consumption. The word consumption means wasting away, and dyspeptics often waste away as badly as consumptives.
The reason people waste away is because either they don't get enough to eat, or they don't digest what they do eat.
If the latter is your trouble, take Shaker Digestive Cordial. This will help you to digest your food and stop your loss of flesh.
Shaker Digestive Cordial is made from herbs, barks and the juices of fruit, by the well-known Shakers at Mount Lebanon. It possesses great tonic and digestive powers.
Shaker Digestive Cordial has cured many supposed consumptives (who were really dyspeptics,) by simply helping their stomachs to digest their food, thus giving them nourishment and new strength.

Catarrh Cannot Be Cured
With local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHEKNEY & CO. Props., Toledo, O.
