

# Ivy Poison

Child Suffered for Three Years Without Relief - Terrible Itching and Burning Skin Disease.

"When three months old our boy was poisoned with ivy. He suffered for three years without getting relief. I saw one of the advertisements of Hood's Sarsaparilla, consisting of a testimonial where a child was cured of ivy poisoning. My faith was very weak at first, but I told my husband I would like to try a bottle of Hood's Sarsaparilla. Doctor's medicine had failed to help him in the least. We concluded to buy five bottles of Hood's Sarsaparilla and the child began taking it. Before he had finished all that we had purchased he was cured. I have also been cured of skin disease by Hood's Sarsaparilla. I was in such a condition that I could hardly endure the itching and burning. I felt that I must give Hood's Sarsaparilla a fair trial, which I did. I took four bottles and it cured me." CHRISTINA GREEN, Canastota, S. D. Hood's Sarsaparilla is sold by all druggists. \$1; six for \$5. Be sure to get Hood's.

### BLUE HILL.

Bill Collector was a very prominent figure on our streets Monday.  
J. O. Burgess and wife were at the county seat Friday of last week.  
Mrs. L. B. Greenlee is spending the week with friends on Willow creek.  
Count Kinsel is counter hopping in Kreisgmann & Frohm's general store.  
Miss Flora Godwin returned to Willow creek Sunday after a week's visit with friends here.  
Fine money making rains in this neck of the forest Wednesday and Thursday mornings.  
M. W. Hornberger's new residence is nearly completed. When finished it will be one of the largest and finest in the city.  
W. A. Garrison, wife and children expect to leave for New York the latter part of the month on an extended visit with Mr. G's parents.  
Chas. Buschow and two daughters returned to their home, Colby, Kansas, Tuesday after a week's visit with relatives and friends in and near Blue Hill.  
Geo. Wabber, living eight miles southeast of this city, had the misfortune on the last Lord's day to have a team of his best horses killed by lightning.  
It is reported that the original Bill Gibson is on his way to Klondyke. A very good place to stay away from unless you are tired of living and wish to commit suicide.  
Walter Scott, who is pitching great ball for the Nebraska Indian ball club on its tour through Iowa, is expected home about the 20th of the present month. With the Indians Scotty stands second in batting and first in pitching.  
Quite a number from here expect to take advantage of the M. P.'s cheap rate to Kansas City next Saturday. Homer Kinsel, however, is not going, not because he hasn't got the price, but because he can't, spelled with a capital C.  
Michael Distler, who has been in Europe the past seven months, returned to his old haunts in Blue Hill Tuesday. He says, "I like America lots better than the old country." This is usually the case of a man who has lived in this country several years and then makes a trip to the "Faderland" which he finds too far behind the times.  
Your correspondent "Gazelle" from Willow creek, attempts in last week's Chief, to predict that "a young man not over sixteen hundred miles north from that place will experience a severe fall." From the tone of his article I would judge that he had reference to a certain young man in this city and the only reason why the said Gazelle made this prediction was because "Bob" has a "stand in" at the same home where he (Gazelle) got it where the chicken usually gets the ax. Now, if my brother from the creek will take a few doses of malted milk and nurse his wounded feelings for sixteen hundred years (not miles) the young lady with whom he sought to be friendly may forgive and forget.

BILLY SLOPER, Esq.

It is always gratifying to receive testimonials for Chamberlain's Colic, Cholera and Diarrhoea Remedy, and when the endorsement is from a physician it is especially so. "There is no more satisfactory or effective remedy than Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Dr. R. E. Robey, physician and pharmacist, of Olney, Mo.; and as he has used the Remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by H. E. Grice, Druggist.

One Minute Cough Cure, cured. That is what it was made for.

Miss Zizek who has been spending the summer with her sister Mrs. Frank Zetic returned to her home at Wilbur Tuesday, Mr. Zetic going as far as Edgar returning the same evening.  
A. P. Johnson the newly appointed postmaster took church of the office Monday morning, his wife acting as his deputy. The patrons can now rest assured that they can get their mail without quitting work in the afternoon in order to get here before closing up time, neither will the lights be put out on a man when he is addressing a letter. So much for the election of McKinley.

## Cancer Of the Breast.

Mr. A. H. Crausby, of 138 Kerr St., Memphis, Tenn., says that his wife paid no attention to a small lump which appeared in her breast, but it soon developed into a cancer of the worst type, and notwithstanding the treatment of the best physicians, it continued to spread and grow rapidly, eating two holes in her breast. The doctors soon pronounced her incurable. A celebrated New York specialist then treated her, but she continued to grow worse and when informed that both her aunt and grandmother had died from cancer he gave the case up as hopeless. Someone then recommended S.S.S. and though little hope remained, she began it, and an improvement was noticed. The cancer commenced to heal and when she had taken several bottles it disappeared entirely, and although several years have elapsed, not a sign of the disease has ever returned.

Robt. Adamson and family are thinking of leaving the farm and taking up residence in Cowles.  
Last week Tuesday the Epworth League of this place had a social at the parsonage which was well attended.  
Mrs. Peter Hill, who sustained severe injuries in a recent runaway accident, is now gradually recovering, under treatment of Dr. Hall.  
The Siamese twins, silver and wheat seem to have parted company for some time. The great law of supply and demand compelled an operation which has divided them very really—in favor of the farmer.  
Our Union Christian Endeavor held a literary social in the Congregational church on Friday evening. Music reading, and a very interesting report of the great Christian Endeavor convention, recently held in San Francisco given by Miss Smailey, a delegate from Springfield, Illinois, contributed to the evening's pleasure and inspiration.  
At 3:30 on Thursday morning the clear, shrill notes of a bugle call disturbed the peaceful slumber of our citizens. An innocent visitor might have thought it a call to arms to resist some approaching foe—Indian or otherwise. It was only a signal, however, for a company of Cowlesites to fall in line for Crystal Lake, where they are going to take in the scenery and have a general good time.

"Let me give you a pointer," said M. F. Gregg, a popular conductor on the Missouri Pacific railroad. "Do you know that Chamberlain's Colic, Cholera and Diarrhoea Remedy cures you when you have the stomach ache? Well, it does." And after giving this friendly bit of advice, the jolly conductor passed on down the aisle. It is a fact that thousands of railroad and traveling men never take a trip without a bottle of this remedy, which is the best cure for bowel disorders in the world. 25 and 50 cent bottles for sale by H. E. Grice, Druggist.

J. W. Ball, Editor and Publisher of the Mountain Mirror, Restored to Health From La Grippe by the Use of DR. MILES' RESTORATIVE NERVE.

FOR over a year I suffered with complete nervous prostration as the result of La Grippe, writes Mr. Ball of Lake Placid, N. Y. Doctors did all they could but their efforts were without results, and I grew worse. My trouble affected my mind, but kind nature came to my relief by helping me to think, "If I only had a helping hand to aid nature to build me up slowly and surely." The result was I refused all other medicine and my wife procured a bottle of Dr. Miles' Restorative Nerve which I took faithfully and am fully restored to health. I write this hoping it may help others, for Dr. Miles' Remedies surely cure.  
Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants. DR. MILES MEDICAL CO., Elkhart, Ind.
