Ivy Poison

Child Suffered for Three Years
Without Relief—Terrible Itching
and Burning Skin Disease.

"When three months old our boy was
poisoned with ivy. He suffered for three
years without getting relief. I saw
one of the advertisements of Hood's Sarsaparilla,
consisting of a testimonial where
a child was cured of ivy poisoning.
My faith was very weak at first, but I
told my husband I would like to try a
bottle of Hood's Sarsaparilla. Doctor's
medicine had failed to help him in the
least. We concluded to buy five bottles
of Hood's Sarsaparilla and the child be-
gan taking it. Before he had finished all
that we had purchased he was cured. I
have also been cured of skin disease by
Hood's Sarsaparilla. I was in such a
condition that I could hardly endure the
itching and burning. I felt that I must
give Hood's Sarsaparilla a fair trial, which
I did. I took four bottles and it cured
me." CHRISTINA GREEN, Canastota, S. D.
Hood's Sarsaparilla is sold by all drug-
gists. \$1; six for \$5. Be sure to get Hood's.

Owing to over-crowding and bad
ventilation, the air of the school room
is often close and impure, and teachers
and pupils frequently suffer from lung
and throat troubles. To all such we
would say, try Chamberlain's Cough
Remedy. For coughs, colds, weak
lungs and bronchial troubles no other
remedy can compare with it. Says A.
C. Freed, superintendent of schools,
Prairie Depot, Ohio: "Having some
knowledge of the efficacy of Chamber-
lain's Cough Remedy, I have no hesita-
tion in recommending it to all who
suffer from coughs, lung troubles, etc."

"My boy came home from school
one day with his hand badly lacerated
and bleeding, and suffering great
pain," says Mr. E. J. Schall, with
Meyer Bros. Drug Co., St. Louis, Mo.
"I dressed the wound, and applied
Chamberlain's Pain Balm freely. All
pain ceased, and in a remarkably
short time it healed without leaving a
scar. For wounds, sprains, swellings,
and rheumatism I know of no medicine
or prescription equal to it. I consider
it a household necessity." The 25 and
50 cent sizes for sale by H. E. Grice,
Druggist.

Certainly you don't want to suffer
with dyspepsia, constipation, sick
headache, sallow skin and loss of ap-
petite. You have never tried DeWitt's
Little Early Risers for these complaints
or you would have been cured. They
are small pills but great regulators. C.
L. Cotting.

Small precautions often prevent
great mischiefs. DeWitt's Little Early
Risers are very small pills in size, but
are most effective in preventing the
most serious forms of liver and
stomach troubles. They cure constipa-
tion and headache and regulate the
bowels. C. L. Cotting.

Scrofula

Is a deep-seated blood disease which
all the mineral mixtures in the world
cannot cure. S.S.S. (guaranteed purely
vegetable) is a real blood remedy for
blood diseases and has no equal.

Mrs. Y. T. Buck, of Delaney, Ark., had
Scrofula for twenty-five years and most
of the time was under the care of the
doctors who could not relieve her. A
specialist said she could cure her, but
he filled her with
arsenic and potash
which almost ruined
her constitution. She
then took nearly
every so-called blood
medicine and drank
them by the wholesale,
but they did not reach
her trouble. Some-
one advised her to try
S.S.S., and she very
soon found that she had a real blood
remedy at last. She says: "After tak-
ing one dozen bottles of S.S.S. I am
perfectly well, my skin is clear
and healthy and I would not be in
my former condition for two thousand
dollars. Instead of drying up the poison
in my system, like the potash and
arsenic, S.S.S. drove the disease out
through the skin, and I was perma-
nently rid of it."

A Real Blood Remedy.

S.S.S. never fails to cure Scrofula,
Eczema, Rheumatism, Contagious Blood
Poison, or any disorder of the blood.
Do not rely upon a simple tonic to cure
a deep-seated blood disease, but take a
real blood remedy.

Consumption

AND ITS CURE
TO THE EDITOR:—I have an absolute
remedy for Consumption. By its timely use
thousands of hopeless cases have been already
permanently cured. So proof-positive am I
of its power that I consider it my duty to
send two bottles free to those of your readers
who have Consumption, Throat, Bronchial
or Lung Trouble, if they will write me their
express and postoffice address. Sincerely,
T. A. MILES, M. C., 183 Pearl St., New York.

Mr. Michaels, a resident of Warren
county, Illinois, is the guest of C. E.
Hicks.

W. E. Thorne shipped a full bunch
of cattle to Omaha. He accompanied
the car.

Mr. Boyd of Warren county, Illi-
nois, is visiting his brother Henry of
this place.

C. E. Hicks accompanied by his
daughter and Mr. Wheeler drove to
Hastings last Wednesday.

Mrs. Allen of Juniata and Grandma
Thorne who is staying at Juniata were
in the city a few days visiting friends.

Miss Eggleton who has been confined
to her bed a long time with typhoid
fever, we are glad to say is convalescent.

H. F. Longworth of Boloit, Kansas,
was in the city Wednesday in the in-
terest of the Kimball Piano and Organ
Company.

Chas. Hartman, Geo. Hite, Wm. Pat-
erson and others from this part at-
tended the populist convention at Red
Cloud last Saturday.

Chas. Clark who left last spring and
went to Tennessee never more to re-
turn was in town a few days and he
seemed real glad to get back to Neb-
raska, like all the rest who leave to
seek their fortunes elsewhere.

The wave of prosperity seems to be
settling down over the city and com-
munity. Farmers are getting from 70
to 80 cents for wheat, but they still kick
and want a dollar. With the wave A.
P. Johnson has secured the postoffice.

Thomas Burden purchased a new set
of harness; W. H. Hoffman claims he
has more business than he can attend
to; V. S. Hall claims that 75c wheat
sells lumber; C. E. Hicks says he will
try and pay some of his debts. J. C.
Hartman is receiving lots of new goods;

S. J. Wheeler is erecting a new barn
on his lot; L. B. Thorne has re-shingled
one of his out buildings; Whelan Bros.
say they have more work than they
ever had. They have a case prospering

times. B. Lee has hardly woke up to
situation and does not know if the
meat trade has improved or not; L. E.
Spence is shaving everybody he can
these days. His barber business has
more than doubled; L. C. Cutter could
sell more wind mills if we had a few
more wind storms; Byrnes Bros. say
nothing but they lay back and sling
out the bait for trade and they are get-
ting it—Then hurrah for McKinley
times.

Perfectly harmless, but very power-
ful is "Economy Bonest Cordial," a
remedy par-excellence for all forms of
indigestion. For sale by C. L. Cotting.

OF WEST VIRGINIA.

Writes of the Benefits Received From Dr.
Miles' Restorative Nervine.

Dr. Miles' Restorative Nervine is
particularly adapted to the restora-
tion of health broken down by hard
mental work. Rev. W. M. Slaughter of New
Haven, W. Va., writes: "I suffered with
extreme nervousness, dizziness, dull and ner-
vous headaches and sleeplessness. My heart
came to troubling me, I was short of breath
from the least exertion, and suffered much
pain in my left side.
Medicine and physi-
cians gave me no re-
lief. I procured Dr.
Miles' Restorative
Nervine, New Heart
Cure and Nerve and
Liver Pills, and I am
sure no words of com-
mendation as to the results can be too strong.
I sleep well, the dizziness and confused feel-
ing have disappeared, my heart troubles me
no more and I feel perfectly well."
Dr. Miles' Remedies are sold by all drug-
gists under a positive guarantee, first bottle
benefits or money refunded. Book on
