W. lodge of this place while the lodge was in session and about half through with business, a great racket was heard on the outside and upon opening the door to ascertain the cause the ladies walked in and with them brought cake and ice cream. Health means a perfect condition of the whole system. Pure blood is essential to perfect health. Hood's Sarsaparilla makes pure blood and thus gives health and happiness.

Hood's Pills are the favorite family cathartic and liver medicine. Price 25 cents.

Small precautions often prevent great mischiefs. DeWitt's Little Early Risers are very small pills in size, but are most effective in preventing the most serious forms of liver and stomach troubles. They cure constipation and headache and regulate the bowels. C. L. Cotting.

From Adirondacks.
 J. W. Ball, Editor and Publisher of the Mountain Mirror, Restored to Health From La Grippe by the Use of DR. MILES' RESTORATIVE NERVEINE.

FOR over a year I suffered with complete nervous prostration as the result of La Grippe, writes Mr. Ball of Lake Placid, N. Y. Doctors did all they could but their efforts were without result, and I grew worse. My trouble affected my mind, but kind nature came to my relief by helping me to think, 'if I only had a helping hand to aid nature to build me up slowly and surely.' The result was I refused all other medicines and my wife procured a bottle of Dr. Miles' Restorative Nerveine which I took faithfully and am fully restored to health. I write this hoping it may help others, for Dr. Miles' Remedies surely cure.

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants.
