As will be seen by notice elsewhere in these columns Ernst Welsh has offered a reward of \$50 for the arrest and conviction of the parties who set fire to his new restaurant building. This is a good step for if we have a building burner in our midst it is time that he is apprehended and a quietus put to his too free use of matches and an oil can.

Don't use bill heads or statements in which you have to write your own name. Get them printed in an up-to-date style. There is nothing which will make your customers think you are of the disposition to be penurious so much as this. If you are stingy in one way what reason is there to believe that you won't be in other ways. Get your printing done right at the CHIEF office.

Growing Children

One-third of all the children die before they are five years old. Most of them die of some wasting disease. They grow very slowly; keep thin in flesh; are fretful; food does not do them much good. You can't say they have any disease, yet they never prosper. A slight cold, or some stomach and bowel trouble takes them away easily.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites is just the remedy for growing children. It makes hard flesh; sound flesh; not soft, flabby fat. It makes strong bones, healthy nerves. It changes poor children to children rich in prosperity.

Book about it free for the asking. **Get No substitute for Scott's Emulsion will do for the children what we know Scott's Emulsion will do. Get the genuine.**

For sale by all druggists at 50c. and \$1.00.
