

Running Sore

Little Girl Suffers With Impure Blood—Other Treatment Failed But Hood's Sarsaparilla Cured—Weakness and Headache.

"My daughter, 9 years old, had a running sore below her right ear for three months. The doctor advised painting it with iodine and we did this but it did no good. Then I got a bottle of Hood's Sarsaparilla. The first bottle made some improvement, and when the third bottle had been taken the sore was nicely healed. A year has passed since then and there has been no return of the sore." W. E. MAGNUSSON, Arnold, Nebraska.

"I was troubled with weakness and headache but since taking a few bottles of Hood's Sarsaparilla I have had no trouble of this kind." MRS. MARY LEWIS, Otto, Nebraska.

Not long ago two church members living not a thousand miles from here sold and bought a corn sheller on the Sabbath day, while the third but a few days before acted as umpire in a fight between two young men whom he should have been trying to persuade that it was wrong to do so.

Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years from dyspepsia, Mrs. B. E. Dugdale, wife of a prominent business man of Warsaw, N. Y., writes: "For 28 years, I was a constant sufferer from dyspepsia and a weak stomach. The lightest food produced distress, causing severe pain and the formation of gas. No matter how careful of my diet I suffered agonizing pain after eating. I was treated by many physicians and tried numerous remedies without permanent help. Two years ago I began taking Dr. Miles' Nerve and Liver Pills and Nervine. Within a week I commenced improving, and persisting in the treatment I was soon able to eat what I liked, with no evil effects. I keep them at hand and a single dose dispels any old symptoms."
