

Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years from dyspepsia, Mrs. H. E. Duzdale, wife of a prominent business man of Warsaw, N. Y., writes: "For 28 years, I was a constant sufferer from dyspepsia and a weak stomach. The lightest food produced distress, causing severe pain and the formation of gas. No matter how careful of my diet I suffered agonizing pain after eating. I was treated by many physicians and tried numerous remedies without permanent help. Two years ago I began taking Dr. Miles' Nerve and Liver Pills and within a week I commenced improving, and persisting in the treatment I was soon able to eat what I liked, with no evil effects. I keep them at hand and a single dose dispels any old symptoms."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address: DR. MILES MEDICAL CO., Elkhart, Ind.

Don't be a Knocker.

A knocker is a fellow who isn't satisfied with things in general and himself in particular. He is no good at building up. He delights in tearing down. If somebody starts in business the knocker is on hand with a mournful prediction of failure. If he hears one man speak well of another the knocker says, "You don't know him. If you knew what I know you'd think different." Knocker never has a good word for anybody. He's out with his little hammer all the time.

Don't be a knocker. There's no fun in it. It doesn't pay. It won't improve your health. It can't make you happy. It's dead sure to spoil your digestion.

There's nothing in it. Don't be a knocker. Brace up. Brush your clothes. Smile. Look pleasant. Have a good word for everybody. If your neighbor makes a start give him a boost. Don't knock. Encourage him. Make him feel good. When anybody mentions him, speak well of him.

That helps. Be a gentleman. Don't be a knocker.

Don't criticize too freely. Don't try to reform everybody. Let others do their own reforming. Self-reform is best anyhow. It lasts longer. It's the real thing. Don't go trying to make angels on earth. Do the best you can yourself. Time will do the rest. Don't keep too busy minding other people's business. That's what makes knockers. Mind your own business. Don't be a knocker.—O. P. News.

CATARH SIX YEARS.

Grow Rapidly Worse—Doctors Did No Good.

Mrs. Adam Staats, Mequon, Wis., in a recent letter to Dr. Hartman, writes: "I write this letter because of my sympathy for the suffering people. For six years I suffered with chronic catarrh. Whenever I caught a little cold I would have a severe spell of sickness. I used different catarrh medicines and the doctors did all they could, but the relief was only temporary. In December, 1897, my condition became very bad. I could not speak aloud; I had a terrible cough, profuse expectoration and frequently spit blood; night sweats and extreme emaciation. I was sure I must die of consumption. The catarrh seemed to have spread all over my body; my head, throat, nose, bladder and womb. At this time I received a book concerning Pe-ru-na. I immediately wrote to Dr. Hartman, who prescribed Pe-ru-na and Man-a-lin. I followed his directions strictly. I began to improve with the first bottle, and during the time that I took the medicines I gained twenty pounds. I feel as well now as anyone could possibly feel. I am sure I would have been dead long ago had it not been for Dr. Hartman's advice and medicine."

Every woman should have a copy of Dr. Hartman's latest book entitled "Health and Beauty." Sent free by The Pe-ru-na Drug Manufacturing Company, Columbus, Ohio.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.
