

**Oh, How Thankful**

**Pain Was Maddening and Hope Had Been Abandoned—Wonderful Results of Purifying the Blood.**

"A very severe pain came in my left knee, which grew worse and worse, and finally a sore broke out above the knee. It discharged a great deal and the pain from my thigh down was maddening. Large, hard, purple spots appeared on my leg. I suffered in this way for years, and gave up all hope of ever being cured. My wife was reading of a case like mine cured by Hood's Sarsaparilla, and she advised me to try it. I began taking it and when I had used a few bottles I found relief from my suffering. Oh, how thankful I am for this relief! I am stronger than I have ever been in my life. I am in the best of health, have a good appetite and am a new man altogether."

J. P. Moons, Lisbon Falls, Maine.
