"He That Stays Does the Business."

All the world admires "staying power." On this quality success depends. The blood is the best friend the heart has, and "faint heart" never won anything. Hood's Sarsaparilla is the best friend the blood ever had; it cleanses the blood of everything.

If you would be strong in the race of life and "do the business," you must "stay." Hood's Sarsaparilla makes the struggle easy. It gives clear, strong blood; hence perfect health ensues.

Haves-"The itching of hives which troubled me last summer was terrible; blotches came all over my body. Hood's Serssparilla and Hood's Pills cured me."
Mas. Many Issorr, 235 South Wolf St.,

All Rum Down - "I was as tired in the morning as at night, had no ambition, weak and run down. Three bottles of Hood's farsaparilla built me up and cured me. Oan eat well and sleep well." Mas. CHAS. MOLS, 415 Medison St., Sandusky, Ohio.

Pernate Troubles—" I would have welcomed death any time as a relief from
catarrh of the womb and other serious
troubles. The best physicians said my
case was helpless. I stopped taking everything else and took Hood's Barsaparilla.
New life came to me and I gained until I
am perfectly well and strong." Mas. Emma

Everybody is calling Jess Bryant Gold Bug, but there they are mistaken. But it is better to be a gold bug than a silver bug.

The wind last Friday night blew

down Len Munger's corn crib, and some trees for Joe Smith about six nches through. No tramp it is not Jess that's writing

but we would be doubly trusted; for a Cynophareephulias, for there is a mystery somewhere. Mr. Pope's horse thought it would

like a spin, so it took a run and before it could be stopped it wrecked the buggy to which it was hitched. That is right Amidown. Hit Tramp

as hard as you can for anyone with an ounce of brains would know that J. M. Clarke would not eat a tramp.

It rather surprised me that John Clark would hitch up the wrong horse. If tramp had done that we would have thought nothing about it for he is blicd anyway.

Rev. N. B. Wagoner and wife and Mr. and Mrs. Mobier and Frank Smith's young folks attended the chiliren's meeting at the Maple Grove church last Sunday.

We think it is an outrage on a civilized community for young mentto drive cattle around a church as they did last Sunday at the Amack school house while services were being held.

The Brethren of Ash creek will unite with the Brethren west of Red Cloud and have a children's meeting on the 4th of July. They have not decided as yet where it will be held, but think it will be in the grove at Mrs. Wickwire's south of the river.

I was seriously afflicted with a cough for several years, and last fall bad a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, Mrs. Mary A. Beard, Claremore, Ark. Sold by H. E.
