

**CLEAN PEOPLE**  
Cleanliness goes with health. If we have catarrh anywhere we cannot be wholly clean.

Makesystematic efforts to be free from this disgusting disease. Mrs. L. A. Johnston, 103 Pilham and Ripley Sts., Montgomery, Ala., tells her experience with catarrh of the stomach and how she was cured:

"I will state to you that I have taken eight bottles of your Pe-runa and two of Man-a-lin and rejoice to say, 'God bless Dr. Hartman and Pe-runa.' And I earnestly assure you that it has done me more good than any medicine I have ever taken in my life. I prescribe it to every one I meet who is suffering, as the best medicine in the world, and have made many converts who are now rejoicing in the great good which they have derived from the same. I can tell you that I am almost entirely relieved of indigestion, that great foe which has tortured me so many years, and can now eat anything I desire without it is fruits or something acid."

To understand the scientific action of Pe-runa it is best to have Dr. Hartman's special book for women or his book on chronic catarrh. These books are mailed free by the Pe-runa Medicine Company, Columbus, O. All druggists sell Pe-runa.

Hall's Family Pills are the best.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by H. E. Grice.

DeWitt's Little Early Risers act as a faultless pill should, cleansing and reviving the system instead of weakening it. They are mild and sure, small and pleasant to take, and entirely free from objectionable drugs. They assist rather than compel. C. L. Cotting.

There is a time for all things. The time to take DeWitt's Little Early Risers is when you are suffering from constipation, biliousness, sick headache, indigestion or other stomach or liver troubles. C. L. Cotting.

W. M. Gallagher, of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best of all." It relieves instantly and cures all throat and lung troubles. C. L. Cotting.

**Cheap Tickets to California.**

The lowest rates of the year are these which the Burlington route will make late in June and early in July, for the annual meeting of the National Educational Association, at Los Angeles. Liberal return limits and stop-over privileges.  
The coolest route to the coast is through Denver and Salt Lake City. Go that way and for a day and a night you ride through the Wonderland of the World—past canons, mountains, rivers, waterfalls, and landscapes gay with flowers.

**Drink Grain-O**

after you have concluded that your coffee does not agree with you. It is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color, and tastes like the finest grades of coffee and costs about one fourth as much. Children thrive on it because it is a genuine food drink containing nothing but nourishment. 15c and 25c at grocers.

**To Whom It May Concern.**

All parties are hereby notified that my wife Clara M. Overlies has left my bed and board without any cause or provocation upon my part and that from and after this date I will not be responsible for any debts which she may contract upon her own credit or upon mine.

Dated this 1st day of June, 1899.

**Does Coffee Agree With You.**

If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it, but after using it for one week nothing would induce me to go back to coffee."
