**INSTITUTE NOTES.**

The annual institute of Webster county opened with an educational rally on June 10th. The first and best feature of the program was music by Messrs. McBride and McNitt. The ladies quartet sang in a very pleasing manner. Misses Lillian and Pearl Smith favored the audience with a song and the rest of the program consisted of short speeches and a debate.  
Monday morning a large number of enthusiastic teachers assembled at the high school building. The three able instructors are Prof. S. W. Miller of the State University, Prof. O. C. Hubbel of Fairfield and Cora E. Clary of Nebraska City. There are 144 teachers enrolled and the majority take great interest in the work.

One feature of the institute that is very pleasing and instructive is primary methods of teaching. Miss Clary has charge of that work and every morning a class of children assists her. She teaches the children before an attentive audience of teachers.

For the superintendent and instructors the writer has nothing to say but words of praise. The only complaint heard is that the institute does not last long enough.

The superintendent gave a reception to the teachers Monday evening at her pleasant home. The lawn was nicely decorated with flags and lanterns. Swings and seats were placed here and there. Ice cream was served during the evening.

Several teachers represented the title of some book. Every teacher was supplied with paper and pencil and wrote the titles of the books represented. Viola Ward guessed the greatest number of titles. The reception was a success in every way.

Tuesday evening Prof. O. C. Hubbel lectured at the Baptist church. His subject was "Mistakes in Life." It was appreciated by all. Messrs. McBride and McNitt furnished excellent music.

Supt. Hussong of Franklin county lectured at the Christian church Wednesday evening.

W. B. Householder of Biaden, Mrs. Moore of Guide Rock, Supt. Hussong, Rev. Hussong, Nellie West, Mrs. Geo. Newhouse, Ed Overing and Bruce Payne have been visitors this week.  
A TEACHER.

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy by a friend, who, knowing me to be a poor widow, gave it to me. I tried it, and with most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, MRS. MARY A. BEARD, Claremore, Ark. Sold by H. E. Grice.
