Wives, Beware!

An expectant mother had better not take anything at all than those positively dangerous mixtures so widely advertised to relieve her discomfort and nausea. She ought to know that outside external treatment is the only way that can possibly be of any benefit. She ought to know that Mother's Friend is the only remedy that will help her, and it is an external liniment. It takes her through the entire period in comparative comfort, shortens labor, and childbirth is no longer to be dreaded. More than that, it gives her a glowing shape after the ordeal, and her little one will come into the world perfect in form and health.

Get Mother's Friend at the drug stores for \$1 a bottle, or send to THE BRADFIELD REGULATOR CO. ATLANTA, GA.
