Freezing Weather in July
Would cause great discomfort and loss but fortunately it is seldom known. A vast amount of misery is caused at this season, however, by impoverished blood poor appetite and general debility. These conditions may be remedied by enriching the blood and toning the stomach with Hood's Sarsaparilla. This medicine seems to put new life into the whole physical system simply because of its wonderful power to purify, enrich and vitalize the blood, creates an appetite and invigorates the digestive functions. We advise you to get a bottle and try it if you are not feeling just right. It will do you more good than a six weeks vacation. It is the best medicine money can buy.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.
Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by H. E. Grice.

Does Coffee Agree With You.
If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it, but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The children can drink it freely with great benefit. It is the strengthening substance of pure grains. Get a package today from your grocer, 5c and 25c.

Through Tourist Sleepers to Northwest.

The Burlington Route has established a twice-a-week tourist car line from Kansas City to Butte, Spokane, Tacoma and Seattle. Cars leave Kansas City, Lincoln and Grand Island every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bed linen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers. Cars run through without change of any kind and the berth rate from Lincoln to Tacoma or Seattle is only \$5.00. To intermediate points it is proportionately low. Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the northwest is rapidly attaining large proportions. This new tourist car-line has been established with a view of caring for the Burlington's share of it in the best possible manner. Berths, tickets and full information can be had on application to any Burlington Route ticket agent or by addressing J. Francis, G. P. A. Omaha, Neb.

Deafness Cannot Be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed deafness results and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

PERU-NA'S VICTORY.

Dr. S. B. Hartman, Chicago, O.
DEAR SIR:—I feel like a new woman since using your Peru-na.

Your medicine has helped me so much that I can work and never feel tired out. When I first began to use your medicine I couldn't sweep my own room, run the sewing machine or lift anything, not even a chair. It even hurt me to ride or walk any distance. Now I can do all this, and I believe more, and never feel the effects of it. I feel so proud of the way it has brought me out that I tell it far and near. I can heartily recommend your medicine to any woman suffering from female disease. I know from experience that your medicine will do just what you say it will. I thank you, Doctor, a thousand times for your treatment. I shall recommend your medicine wherever I go. I know what it has done for me and I know it will do the same for others. I feel that there are thousands of other women who would, after using your treatment, as I did, be thankful. This month is the first time in my life that I can remember of having my menses without pain. Why, I can't do anything but recommend Peru-na.—Miss Emma L. Holden, Wilberforce, O. The Peru-na Medicine Co., Columbus, O., will mail Dr. Hartman's special book for women, free on application, to women only. All druggists sell Peru-na.
