There is more catarrie in this section of the country than all other diseases put together, and until the last few years was supposed to he incurable. For a great many years doctors proscribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catatrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J Cheney & Co., Toledo, Ohio, is the only constitutional cure in the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,
