Mr. John Kauffman who was married last Sunday at Lincoln is spending his honeymoon with his parents north of town. Willie Thorne and his sister Rose came home Saturday evening to spend the holidays. They are attending school at Lincoln. The Bladen band furnished music for the entertainment Saturday evening and they are making rapid progress. It will not be long before Bladen will have a first class band. Hurrah for the band and hurrah for Bladen. The Christmas trees Saturday evening at the hall and Sunday evening at the Baptist church were well attended and pronounced a grand success, everyone doing their part, and the trees were just loaded with presents. All seemed to enjoy themselves and especially the little folks. It was rather hot weather for Santa but he made his appearance just the same.

The heartfelt sympathy of their many friends is extended to the bereaved family.

BLUE HILL.

The school bells on this side were quiet again for a week or more. Mr. and Mrs. Chapman Christmased with the Rowland family. Quilddriver fell asleep last week and forgot to send in his items. Mr. and Mrs. Armstrong and a visit from her cousin near Guide Rock. Mr. and Mrs. Williams of Adams county were visiting at Mr. Rowland's last week. Lee James who has been down with pneumonia for some time is able to be around again. Mrs. Port and family and Mr. and Mrs. Waterbury ate Christmas dinner with Mr. McCoy and family. Jesse McCoy has been very busy since he sold his mules trying to break his black colts for a driving team. R. Armstrong, after a visit of several days with his son Charles at Kenesaw has returned home. We were about to advertise him as lost. The Degree of Honor had big doings on Tuesday evening. The installation of the officers of the A. O. U. W. takes place next Tuesday evening. Preparations for the past two weeks have been very tedious to those who have been busy with Christmas trees and other things pertaining thereto. A fine program was rendered in the Methodist church after which Santa Claus appeared and numerous gifts were given to Sunday school scholars and others. Programmes somewhat similar were rendered in the Christian and Presbyterian churches. On Sabbath evening the Lutherans held their celebration all in German and even Kris Kringle talked German and the Quilddriver could not understand what it meant but he supposed it was all right by the way the others enjoyed it.

Ivory Soap costs a little more, but it takes less to do the work, and how much whiter the clothes are when they have been washed with it.

A WORD OF WARNING.—There are many white soaps, each represented to be "just as good as the 'Ivory'"; they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

GUIDE ROCK

O. A. Edgerton is out from Hamburg, Iowa this week. Mr. Morfield a friend of the Hunter family is visiting them this week. The Christmas exercises at the churches were well attended and nicely conducted. The Christmas ball at the Montgomery building was well attended and all report a good time. Sam Hagan and wife and J. Holler and wife were down from Norcatur, Kansas, Christmas visiting friends and relatives. Ed. Gautschy was among those who came to Guide Rock to spend Christmas. He went to Norton county, Kansas five years ago and says he has raised five crops. Miss Myrtle Jones has resigned her place as teacher in our school and Miss Kaley of Red Cloud will take her place. Miss Jones was a good teacher and had the good will of all her pupils. H. N. Viers and Ed. Hill started for Oklahoma Wednesday morning with a view to locating there. AMIDOWS

PENDER, Virginia, Dec. 21, 1899.

RED CLOUD CHIEF.—I thought for the benefit of my friends in Nebraska I would write a few lines through your paper. I left Red Cloud on the morning of the 14th at 2 a.m. and reached Washington, D. C. at 2 a.m. on the 16th without accident except breaking of axle-tree under engine at Falls City, Nebraska. Struck snow at Wymore, which continued until reaching eastern Ohio. From there on no snow except on top of mountains. Crossed the mountains in the night so did not get good view. I reached Vienna, Virginia, the end of the railroad at 10 a.m. seven miles from Pender. Am located on eastern part of Chantillia battle field one-half mile east from where Genl. Phil Kearney was killed. The face of the country is not near so rough as in Webster county, nor is there near so much waste land here as there, but considerable land is covered with timber. The weather is warm; has been no snow. The cattle get their living in the pastures here now the grass being green in the fields. Anyone looking at the soil would be surprised to see the crops raised here. The corn here beats the corn of Nebraska so that she don't know where she is at. All this country needs is capital to make it the best country in the United States. Mild

climate, good water, fair soil, healthy locality, fine laying land, plenty of timber. All it needs is yankee push and get there all. F. M. BEACH.
