**IN THE DAYS OF OLD, AND KNIGHTS SO BOLD,  
 WHEN BARONS HELD THEIR SWAY,  
 FOLKS LOVED THE SILVER AND THE GOLD,  
 JUST AS THEY DO TODAY.**

In all ages silver and gold have swayed the world and ruled the hearts and minds of mankind. While gold is of more intrinsic value; in the hearts of the people, silver articles of merchandise are just as much to be admired.

We take this present time and method of wishing you one and all a Merry Christmas and especially of thanking those to whom we are indebted for the liberal patronage with which they have favored us and wish also to state that we will ever strive to deserve their confidence and patronage, and hope we may meet in many future Christmas tides.

Yours truly,
