

"With this ring  
I wed thee."

—Shakespeare.

The ring of love and the ring of goodness should be blended in the wedding ring. A man wants nothing in life that he wants to be as sure of as he does the quality of his wedding or engagement ring. He wants the best—he wants just what he pays for, and he wants to buy it quietly and secretly. Goodness and secrecy are two strong points in our wedding and engagement ring selling.
