PREPARE for the turn of life. It is a critical period. As indications of the change appear be sure your physical condition is good. The experience is a wonderful one and under some circumstances full of menace. Mrs. Pinkham, of Lynn, Mass., will give you her advice without charge.

TALKS WITH WOMEN OF MIDDLE AGE

She has done so much for women, surely you can trust her. Read this letter from Mrs. M. C. GRIFFIN, of Georgeville, Mo.:

"DEAR MRS. PINKHAM—The doctor called my trouble ulceration of womb and change of life. I was troubled with profuse flowing and became very weak. When I wrote to you I was down in bed, had not sat up for six months; was under a doctor's treatment all the time, but it did me no good. I had almost given up in despair, but your Vegetable Compound has made me feel like a new woman. I cannot thank you enough. I would advise any woman who is afflicted as I have been to write to Mrs. Pinkham, at Lynn, Mass., and get her advice and be cured as I have been."

"DEAR MRS. PINKHAM—Change of life was working on me. My kidneys and bladder were affected. I had been confined to the house all summer, not able to stand on my feet for any length of time. Terrible pains when urinating and an itching that nearly drove me wild. I had tried many remedies. I told my husband I had great faith in yours and he got me a bottle; am now on my fourth bottle. I feel that I am entirely cured. I can work all day. I can hardly realize that such a wonderful cure is possible. Lydia E. Pinkham's Vegetable Compound is the best medicine for women." Don't wait until you are prostrated with the mysterious condition known as "Change of Life." Get Mrs. Pinkham's advice and learn how other women got through.
