# A Wife Says:

"We have four children, With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of Mother's Friend before our last

child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard ( pains. This liniment is the grandest remedy ever made."

## Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a Mother's Friend equips the patient with a ties. strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell Mother's Friend for \$1 a bottle. The Bradfield Regulator Co., Atlanta, Ga. Send for our free illustrated book.

#### EALTH and beauty are the glories of perfect womanhood.

П Women who suffer constantly with weakness peculiar to their sex cannot retain their beauty. Preservation of pretty features and rounded form is

a duty women owe to themselves. The mark of excessive monthly sufering is a familiar one in the faces of young American women.

Don't wait, young women, until your good looks are gone past recall. Consult Mrs. Pinkham at the outstart. Write to her at Lynn, Mass.

MISS EDNA ELLIS, Higginsport, Ohio, writes: "DEAR MRS. PINKHAM-I am a school teacher and had suffered untold agony during my menstrual periods for ten years. My nervous system was almost a wreck. I suffered with pain in my side and

heir to. I had taken treatment from a number of physicians who gave me no relief. In fact one eminent specialist said no medicine could help me, I must submit to an operation. At my mother's request, I wrote to Mrs. Pinkham stating my case in every particular and re-

ceived a prompt reply. I followed the advice given me and now I suffer no more during menses. If anyone cares to know more about my case, I will cheerfully answer all letters."

MISS KATE COOK, 16 Addison St., Mt. Jackson, Ind., writes: "DEAR MRS. PINKHAM-I am by occupation a school teacher, and for a long while suffered with painful menstruation and nervousness. I have received more benefit from Lydia E. Pinkham's Vegetable Compound than from all remedies that I have ever tried."

## How To Gain Flesh

SION. It is strange, but it often assemble in caucus at the usual voting happens.

> Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

### **MODERN SLAVERY**

Caused by Weak, Exhausted Stomachs, Is Almost Universal.

You, reader, would not permit your neighbor to call you out of bed at midnight and oblige you to walk the pavement for two or three hours every night. You would not allow him to burn your hand wilfully, nor to cut your finger off, just to please him. Why, then, do you allow your stomach to cause you loss of sleep, nightmare. to cause you loss of sleep, nightmare, and continual suffering? Every dyspeptic, every sufferer from indigestion, biliousness, heartburn, waterbrash, catarrh of the stomach and other stomach diseases, is a slave to his or her stomach. There is one way-only one -of breaking the chains of this slavery. That is by using Dodd's Dyspep-sia Tablets.

These digest the food you have eaten. They don't need aid from the stomach, which is therefore given time to rest and gain strength. They regulate the bowels, which carry off the waste portion of the food not used in making blood. Thus the stomach is emptied and prepared to receive the next meal. No foul gas can form in the stomach The U. B. will hold their second for the food is digested by them at once and does not remain in the stom-ach to rot and cause disease.
