

A WHITE PATH.

HERE is only one kind of Cleanliness, but there are many kinds of soap. There is only one destination, but there are many paths that lead to it. If you want the shortest and safest road to Cleanliness, it is paved with Ivory Soap. Neither man nor clothes ever get beyond the cleansing power of Ivory Soap. Its rich, creamy lather extracts every particle of dirt; but it stops at the dirt! Ivory Soap—it floats.

The democratic platform can be read in three words—"Ag'in the government."

The republican platform does not equivocate or dodge. Every issue is fairly met and frankly treated.

A republican surplus of \$81,239,776 in time of war is better than a democratic deficit of \$145,002,915 in time of peace.

There are now at the Paris exposition five Kansas farmers from one township. This is merely a sample prosperity fact.

The republican majority in Oregon was over 11,000, and it was piled up against complete fusion. What will it be in other states?

China has aroused the wrath of all civilization, and will be put under bonds to stop playing the savage in its treatment of foreigners.

It is true that President McKinley has not utilized the veto in an indiscriminate manner. Excessive vetoing is a Grover Cleveland specialty.

Boss Bryan's silver plank demands "an American financial system." We have it by order of the 7,104,779 people who voted for McKinley in 1896.

The middle-of-the-road populist convention at Grand Island is causing a

Hence if the government is to control one line of industry it must another. And if the people are deprived of the privilege to accumulate property and wealth, discontent and unrest will follow, instead of independent citizens you have government charges, perhaps slaves.

In 1896 Bryan prophesied that "If McKinley and the republican party are successful and put in power for the next four years, wages will be decreased. Hard times will come upon us and over the land. The price of wheat will go down and the price of gold will go up. Mortgages on our homes will be foreclosed by the money lenders. Shops and factories will close. We will export no goods and we will import from foreign lands all the goods we use. Thus will ruin, want and misery be with us." The prophesy needs no comments. The present condition of the country shows what kind of a prophet Mr. Bryan really is.

Imperialism, if it means anything the democracy would have the people believe, implies an emperor, a dynasty, a throne, a crown and a scepter. This feature of imperialism, by no stretch of partisan misrepresentation, can ever be charged against our honored president and candidate for the presidency. He was the choice of the people, he was honestly elected in a constitutional manner, and has been so loath to oppose the will of the people as expressed by legislation enacted by congress that in the four years of his administration he has vetoed but four bills. He will serve his two terms as many other good presidents, both republican and democratic have done, and will then give way to his successor, chosen as he was chosen, by the free votes of a sovereign people.

Lysle and Hattie Lippincotte, Jesse and Ira Wagoner and Mary Mohler were pleasant callers at N. L. D. Smith's last Saturday evening. HEALTHY OLD AGE SSS.

The majority of persons upon reaching middle age and past find their blood becomes weak and thin, and diseases that were easily controlled in earlier life begin to affect the constitution. Those predisposed to Scrofula, Cancer, Rheumatism, Gout and other hereditary troubles may escape till then, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for disease. At this critical period of life the blood must be re-enforced before it can perform its legitimate functions and rid the system of these poisons, and nothing so surely and effectually does this as S. S. S.

S. S. S. strengthens and enriches the blood, improves the appetite, and builds up the general constitution. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood, and prevents the development of disease.

S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other mineral poison can be found in it, and it may be taken for any length of time without harm.

S. S. S. is the only remedy that reaches deep-seated blood troubles like Scrofula, Cancer, Rheumatism, Eczema, Tetters, etc. It purifies and restores the blood to a healthy, normal condition, and makes it impossible for any poisonous waste materials to accumulate.

If you have an old running sore or an obstinate ulcer that refuses to heal, or are troubled with boils and carbuncles, try S. S. S. It never fails to make a quick and permanent cure of these pests. If your system is run down and you feel the need of a tonic, S. S. S. will strengthen and help you as it has many others to a happy, healthy old age.

S. S. S. cured Mr. H. Borden of Saumsville, Va., of a case of Eczema of thirty-five years standing, after the best physicians in the surrounding country had failed. This was seven years ago, and there has been no return of the disease.

Mrs. D. R. Johnson, of Blackshear, Ga., was for years afflicted with a severe type of rheumatism, and had used every remedy known and recommended as a cure without receiving any benefit. S. S. S. promptly reached the seat of the disease and made a complete and permanent cure.

If you are in doubt about your disease, and will send us a statement of your case, our physician will give you any information or advice wanted, for which we make no charge.

"My Wife Became Anxious."

There is cause for anxiety when a cough hangs on for a year and can't be shaken off. The quickest way to relieve that anxiety is to begin at once the use of Dr. Pierce's Golden Medical Discovery. It is a cough remedy, but it is also a great deal more. In far advanced stages of disease, when hemorrhages have been frequent, and there have been emaciation and weakness, "Golden Medical Discovery" has produced a perfect cure. It increases the supply of the life fluid—blood. It cleanses the blood from impurities, and sends a current of rich, new blood to build up the weak places in the body with new life.

The "Discovery" is strictly a temperance medicine, non-alcoholic and non-narcotic.

"For one year I was troubled with a cough," writes Mr. H. E. Curtis of Sumner, Bremer Co., Iowa. "As I continued to cough during the summer, my wife became anxious, and wrote to Dr. R. W. Pierce for medical advice. It seemed to us that we could not go to a better source for advice, and so it proved, as the 'Golden Medical Discovery' which was recommended, proved just the medicine to effect a cure. Dr. Pierce and his medicines are 'As good as what' as the farmers used to say."

Bad taste in the mouth is removed by using Dr. Pierce's Pleasant Pellets.
