

### THE CLOCK.

A reliable clock is a necessity in every well regulated household. Our clocks combine beauty of design with accuracy in time keeping. We guarantee every clock we sell and know how to make it go right if it goes wrong.

### THE RING.

Our finger rings all have the ring of goodness. They stand the closest inspection under the strongest light of day. Your critical inspection invited.

### THE WATCH.

There are two kinds of people we want to watch. They who have watches—we want to repair them. They who have none—we want to sell them watches.

It is a treacherous enemy, working out its deadly effect under cover of the most trifling symptoms. Prickly Ash Bitters is a kidney remedy of superlative merit; it is soothing, healing and strengthening, quickly relieves the aching and soreness that always appears in the advanced stages, checks the progress of the disease and through its excellent cleansing and regulating effect in the stomach liver and bowels it brings back the strength and ruddy glow of vigorous health.
