The "Tuck" cigar has in its filler the finest grade of old unflavored tobacco that can be purchased and used in a 5 cent cigar. Its draft is perfection. The "Tuck" cigar is packed in tin foil in packages of five with the object in view of keeping it fresh, retaining the flavor and protecting it from breakage when carried in the pocket. The "Tuck" cigar is in fact perfection in everything that is required to make a choice smoke. There is no cigar made in the five cent cigars that equals the Tuck cigar, in fine workmanship, quality, draft and filler. Try the "Tuck."

Last week I told you that goods well bought were half sold. This is a true saying from the way the people buy when they see what I have for the money. I will sell you a better job than you can buy at Chicago or any other place for the money. Compare my goods and prices with others and see for yourself.

STATE REPUBLICAN

McKinley Carries the State By

7,000 and Deitrich by

About 1,000.

Both Branches of Next State Legislature Controlled By Republicans.

Webster County Gives McKinley 37 Plurality and Elects Overman for County Attorney By 170 Majority.

Balance of the Ticket Goes to Fusionists By Small Pluralities.

Late election returns up to time of going to press indicate that the majority for McKinley in Nebraska will be upwards of 7,000. The returns on the governor and the rest of the state ticket come in slowly and the vote being much lighter than on presidential electors the candidates will not receive so large a majority. Returns from sixty-three counties on governor show a majority for Dietrich of 3,550. Taking the vote on Hayward and Poynter in 1898 for the twenty-seven missing counties and subtracting Poynter's majority from Dietrich's apparent majority, it still leaves him 689 votes ahead. A republican gain is looked for in the twenty-seven missing counties and this will probably make Dietrich's majority upward of a thousand.

It is believed that the balance of the state ticket will run ahead of the vote made for governor. Until further returns are received no definite result can be given.

The republicans claim both branches of the legislature.

The fusionists also claim the election of the governor and say that it will take the official count to decide.

In this county the republicans take great satisfaction in the fact that McKinley carried the county by 37 and that Overman was elected by 170.

Ful returns on the national ticket show that the republicans have carried every northern state with the exception of Nevada, Montana and Colorado. The republicans have 295 votes sure in the electoral college and with Kentucky which is claimed by both sides would have 308. The usual democratic frauds are claimed in this state.

Homesekers excursions to Arizona, Arkansas, Indian Territory, Louisiana, New Mexico, Oklahoma Territory, and Texas. Dates of sale Nov. 6 to 20, December 4th and 18th. One fare plus \$2 for the round trip, limited twenty-one days from date of sale, continuous passage in both directions.—A. CONOVER, Agent.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; any sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Son of Swamp Root Co., Binghamton, N.Y. When writing mention reading this generous offer in this paper.
