Taking the Chances.
When in doubt as to whether to go on or to go back think of that, and of the Zulu saying: "If we go forward we die, if we go backward we die; better go forward and die." It is also like a game of football. You are selected as a forward player. Play the game; play that your side may win. Don't think of your own glorification, or your own risks—your side are backing you up. Play up and make the best of every chance you get. Football is a good game, but better than it, better than any other game, is that of man-hunting. But, like all other games, it is no use your going in for it without previous training, and I hope that what I have said above may be of some use in helping you to take a distinguished part in the

Patagonia's Future.
Dr. Moreno, the director of the La Plata museum, during a recent visit to London, gave a lecture on Patagonia, in which he declared that that country does not deserve its bad reputation. Although its present population is small and scattered, it has, he avers, a healthy soil capable of supporting a large population, and it presents a vast field for human industry. In Dr. Moreno's opinion Patagonia is a remnant of an ancient antarctic continent.—Youth's Companion.

Old Heavens of a Time.
Fifteen years ago a farmer's wife in Maine lost a ring. Last month her husband while digging potatoes noticed one more curiously shaped than the others. He picked it up and, if a Maine paper may be credited, he found his wife's long-lost ring encircling it. The potato bulged out on each side of the ring, holding it securely.—N. Y. Sun.

The smokers of Red Cloud can find on sale by H. E. Grice and a few of the local dealers one of the choicest and most phenomenal retailing cigars ever manufactured in the west, the "Tuck" cigar. It is hand made throughout and unequalled in workmanship by any 5 cent cigar on the market. The "Tuck" cigar has in its filler the finest grade of old unflavored tobacco that can be purchased and used in a 5 cent cigar. Its draft is perfection. The "Tuck" cigar is packed in tin foil in packages of five with the object in view of keeping it fresh, retaining the flavor and protecting it from breakage when carried in the pocket. The "Tuck" cigar is in fact perfection in everything that is required to make a choice smoke. There is no cigar made in the five cent cigars that equals the Tuck cigar, in fine workmanship, quality, draft and filler. Try the "Tuck."
