

Anticipation Begets More Pleasure Than Realization.

If this is true then Christmas time is here. The day for planning, for "hints," for buying, not a day too early for the latter, if you would avoid the push, and the rush and the worry. Don't put off selecting your gifts so you are worn out and cross when the blessed day comes. A light heart is the best of Christmas cheer.

Just a word before you think of Christmas buying. Don't be too practical, don't give coal, or flour, or gloves, or stockings, in the family or out, unless they are actually in need of these homely necessities of life. Do as you would, not as you are done by. Don't give a thing that is really needed if you want your present appreciated. Give something the recipient would never buy for himself or herself. Use a little common sense. Buy a bit of JEWELRY, CUT GLASS, SILVERWARE, some of the many Sterling Silver Novelties, a Ring or Chain.

Or if you want to go a little more into the practical, just enough not to be too practical, select a WATCH OR CLOCK, A SET OF SPOONS OR KNIVES AND FORKS. Numerous other desirable articles which we have more space in our store to show than we have here to mention. The wise will look early and buy early. Will you be wise or otherwise.

The turkey chase advertised by the Cowden-Kaley Clothing Co., eclipsed any college foot-ball game played this year. Long before the time advertised for the turkeys to be turned loose from the top of the building, a good show day crowd was in the street waiting for the chance to get a Thanksgiving dinner. When the first turkey was finally turned loose the scramble for it would eclipse any foot-ball chase ever seen. There were small boys who had just learned to walk and old men who have to walk with a cane to retain their equilibrium. But it was fun, just like foot ball when you get interested. Each time a turkey was turned loose the same thing happened. Those who got the turkeys were Roy Garber, Fred Hledge, Sam Wright and Chris Mohler.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.
Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.
Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
