BLUE HILL.

Will Hopka has purchased a car load of sugar to hold for a rise.

Doctor Franklin and family are now located permanently in Blue Hill.

Mrs. D. P. Newcomer, who has been quite ill the past week is recovering.

The entertainment given Monday evening by the ladies gymnasium class of the high school was a distinguished success.

Mrs. William Delahoyde of South Dakota, formerly living here and at Ayr, died suddenly at her home last week and was buried here on Saturday.

J. B. Southwell of Plainview was in town Tuesday, remaining over night and pursuing his journey south and west the following day.

Chas. Schaffnit, formerly of Red Cloud but now a commercial traveler, has been in town most of the week.

On Monday evening, during the thunder storm the telephone wires at a point about two miles west of Blue Hill were struck by lightning and burned off, interrupting communication with Bladen.

The readers of the Chief will recall that there was, last winter, a little trouble in the lodge of the A. O. B. H. P. in this town, in the course of which Mr. Thomas Johnson of Oak Creek township was so unfortunate as to lose an ear. Later on we reported, upon authority of Dr. Fulkerson, that a new ear was growing out upon the site of the lost member. This remarkable circumstance was so unusual that your correspondent determined to watch the further progress of the case and went out, yesterday, with the doctor and called upon Mr. Johnson. In the course of a life devoted to close observation and a keen search for the truth

we have seldom met a stranger case than his. Mr. Johnson's ear has not only developed to its full natural size but has kept on growing and growing until it is nearly a foot long. It is larger than an ordinary cabbage. It covers his entire cheek and rests upon his shoulder. Indeed it is so large that it renders its owner lop-sided and the doctor has found it necessary to suspend a brick from the patient's other ear in order that he may maintain his balance in walking. The ear is still growing rapidly and Mr. Johnson, who takes the matter cheerfully, says that by midsummer it will serve the double purpose of an ear and an umbrella.

I'd like to be a boy again, (I know I cannot be it);
 I'd like to see the dear old farm, (I know I cannot see it);
 O'er which I erstwhile used to drive the balky mare named Mollie;
 It seems to me, in looking back, that every day was jolly.
 I'd like to drain a flowing bowl of York State apple cider;
 I'd like to build some more rail fence, with post and stake and rider;
 I'd like to run away from school and take two lickings later.
 The first one from the master and the second from my pater.
 I'd like to pull the quivering ear on blue Ontario's water;
 I'd like to feel the old time thrill of courting Thompson's daughter;
 I'd like to cut a field of wheat with that old grapevine cradle.
 Or bell the fragrant apple sap and lick it from the ladle.
 I'd like to go to spelling school, (we always used "McGuffey");
 I'd like to spell them down again, especially Jim Duffy;
 I'd like—but what's the use my friends—I haven't long to linger.
 For sixty years,—and then a few—have touched me with their finger.

The Eminent Kidney and Bladder Specialist.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble. Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.
