BLUE HILL.

Mrs. Newcomer is home again, much benefited by her trip.

Col. Hoover and Chris Koehler went to Omaha Tuesday. As they telephoned home for more money the next day it is inferred that they are having all kinds of a good time.

A Mr. Shanklin of Red Cloud was in Blue Hill a day or two since making arrangements to remove his family to this town.

Arthur Delahoyde, a young railroad man who formerly lived here, is in town visiting relatives. He brings a very new wife with him.

Fishing parties are numerous this spring and many fine baskets of fish have been brought in. As we never fish we cannot say what bait is best.

William A. May is erecting a two-story addition to his residence, which, when completed, will be one of the best in town.

Now that the grass is growing the Blue Hill creamery is turning out a large amount of butter, most of which finds a market in Denver.

R. H. Merritt and his brother were called to York on Monday by the death of a brother at that point. They have not yet returned.

A political gentleman from Red Cloud, who desires to serve his country as treasurer of Webster county, was in town this week shaking hands and smiling. He kissed no babies, recognizing that a man must draw the line somewhere.

CLEANING HOUSE.

The awful meaning of spring housecleaning I am realizing every dreiful day; This vernal madness induces sadness And, in short, the very devil is to pay.

I'd rather die, sir, than even try, sir, To endure the frightful chaos that prevails; I tell no fib, sir; I broke a rib, sir, When I stumbled over pans and pots and pails.

This din and clatter don't seem to matter As they pile the household goods in mighty stacks, But I made meaning and bitter groaning When I found my shoe was filled with carpet tacks.

In all affection I make objection To this annually recurring scourge of life; Unless she drops it or heaven stops it I shall soon become as crazy as my wife.

COLUMBUS.

LINE.

Good growing weather.

Planting corn is the order of the day.

The Sunday school rally at Pleasant Dale Sunday was largely attended. Mr. Albright and Mr. Fulton of Red Cloud had charge of the singing. There were several short speeches on the Sunday school work in Webster county. All report a good time.

James Keagle has moved in his new house just east of L. Aubushon.

Someone set the prairie on fire near the Goble ranch doing considerable damage. Pasture fences and hay and one barn were destroyed. Some people are rather careless about setting out fire when the wind is high.

G. W. Williams of Bostwick, a brother of Mrs. Wildey, was in Line this week.

Mr. and Mrs. Sutherland of Bostwick were the guests of Mr. Wildey last week.

Richard Keagle has built a new barn. Mr. and Mrs. L. Aubushon made a business trip to Walnut Creek and report all the railroad lands sold and fenced.

There will be a Sunday school rally at Penny creek, Dist. No. 8, May 12th, at 3 p.m., and preaching at 7:30 by Rev. Sims of Oak.

Mr. Jackson, the assessor, is busy finding out how much the farmers are worth this week.

W. P. Haskins and Mr. Shuck made a business trip to Garfield last week. The divide road south of the river bridge is closed so that the travel must go on the section line.

Rev. Campbell of North Branch will preach at Penny creek, Dist. 3, May 5, at 7:30 p.m. A cordial invitation is extended to all.

The Sunday school at Pleasant Dale will meet Sunday, May 5, at 8 p.m.

CENTRAL WEBSTER.

Fine weather this, crops are needing rain however.

Felix Killough Jr. is working for Jim Dornning.

Chas. Molley is quite sick with erysipelas.

Jimmie Konzoe is staying at home this spring after a year or so's stay with his uncle Martin Konzoe.

Eld. Shirley failed to fill his appointment at Prairie Center last Sunday, he having been called to Oklahoma to see his mother who is quite ill.

Geo. Dornning and wife recently bought property in Mt. Clare and have moved there and will make their home for the present at least in that little burg.

Jake Monia's new house is nearly completed.

GUIDE ROCK.

Catarrh Cannot Be Cured,

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take constitutional remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials free.

Hall's Family Pills are the best.

Consumption

is, by no means, the dreadful disease it is thought to be—in the beginning.

It can always be stopped—in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home.

Take Scott's Emulsion of Cod Liver Oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

If you have not tried it, send for free sample, its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, 409 Pearl Street, New York. 50c. and \$1.00; all druggists.

Odd Fellows' Anniversary.

The 26th day of April is anniversary day of the Independent Order of Odd Fellows and the brothers in this city duly observed the day. A good many of the members of Guide Rock lodge came up and participated in the exercises. They gathered at the Christian church where the following program was rendered:

Music by Italian Band.
Quartet—Messrs. Albright, Mrs. Baum, Lillian Smith.
Response—Acting N. G., D. W. Turnure, and Acting V. G., O. C. Teel.
Address on Friendship—E. J. Overing, Jr.
Address on Love—Rev. Hummel.
Address on Truth—J. M. Chaffin.
Duet—Stewart Albright, Lillian Smith.
Music by Italian Band.
Benediction.

After the exercises at the church they reassembled at the Masonic hall where the home "team" put on an impromptu side degree furnishing amusement and instruction(?). Some of the ladies believed that the initiation work was the real ritualistic ceremony—and maybe it was. Our reporter learned incidentally that several Odd Fellows' wives examined their husbands' right arm to see if they could find the brand of the three links.

W. S. Bense, the genial proprietor of the Bon Ton, then served refreshments after which the meeting adjourned.

Conundrum Social.

The social to be given by the Junior class at the residence of James Peterson this evening promises to be a very interesting and enjoyable one. The bill of fare as presented would puzzle anyone as to whether they were hungry or not, and if they were it would be a difficult job to find out just what part of it to order. The uniqueness of the bill of fare makes one inquisitive. We give it below. Go and give your order and see what you get.

The following change has been made for the following year in base ball rules: The pitcher must deliver the ball within twenty seconds after the batter takes his position. If the batter is hit by a pitched ball he does not take his base, but a ball is called on the pitcher. Until the batter has two strikes each foul he hits is called a strike. The catcher must stand within ten feet of the home base all the time the batter is in position.

Women as Well as Men
Are Made Miserable by
Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
