The smokers of Red Cloud can find on sale by H. E. Grice and a few of the local dealers one of the choicest and most phenomenal retailing cigars ever manufactured in the west, the "Tuck" cigar. It is hand made throughout and unequalled in workmanship by any 5 cent cigar on the market. The "Tuck" cigar has in its filler the finest grade of old unflavored tobacco that can be purchased and used in a 5 cent cigar. Its draft is perfection. The "Tuck" cigar is packed in tin foil in packages of five with the object in view of keeping it fresh, retaining the flavor and protecting it from breakage when carried in the pocket. The "Tuck" cigar is in fact perfection in everything that is required to make a choice smoke. There is no cigar made in the five cent cigars that equals the Tuck cigar, in fine workmanship, quality, draft and filler. Try the "Tucks".

Presiding Elder Richard Pearson will be at the M. E. church next Sunday, May 5, morning and evening and will administer the sacrament in the morning. A cordial welcome is extended to all.

The business men of the southeast end of the block in which the CHIEF is situated have registered a kick with us and have asked us to mention the fact to the new council, that a cross-walk is badly needed from the corner across to Miner Bros. store. They say that they would even be thankful for twelve inch plank. As this office seems to be the medium for the registry of all kicks we herewith wish to state to the new democratic administration that in order to hold its constituency it should read the paper carefully.

The managers of the Red Cloud cemetery are deserving of much credit for the good work that has been done this spring. A person who has not seen the cemetery for a year would hardly recognize it as the same place. Red sandstone has been placed along the drive-ways, the driveways graveled and the entire cemetery cleaned and beautified in every way possible. However, we are sorry to note that there are some graves in the cemetery which have not one small flower on them to show that they are remembered.

Everybody come to the social given under the auspices of the ladies of the Cowles Congregational church at the residence of Mr. and Mrs. G. A. Latta, three miles south of Cowles, Thursday evening, May 9th, 1901. The entertainment will consist of music, games, etc. Refreshments will be served. All are cordially invited.—FLORA BROWN AND MARY FARQUHAR, Reception Committee.

Carl Studt, who has been for some time past an efficient cigar maker in the employ of Jacob Nustein, left Sunday for Kansas City where he expects to secure a position. Carl has made many friends during his stay in the city who hope in the future he may once more cast his lot with the citizens of the beautiful little city on the banks of the Republican. Wherever he may reside, however, his friends will always hold him in kindly remembrance as a genial gentleman.

Mrs. Florence Kenyon and her daughter-in-law are expecting to move to the Pacific coast soon, therefore the members of the Ladies Aid Society of Inavale gave them a surprise tea last Thursday. Mrs. Knight of Red Cloud having always been secretary of the society until she moved away, was sent a special invitation. She made her appearance there with the others and a jolly time ensued. At tea time a large square table was loaded with all the delicacies of the season, decorated with beautiful foliage plants and surrounded by ladies and children (not a man amongst them), but they did full justice to the delicious viands. After the ladies had left the table, a few men began to saunter in ostensibly to look for their wives, but they were willing to take a bite of the supper knowing how well the ladies of Inavale provide on such occasions. But the surprise of the party was later. It was noticed that the most of the ladies were new aprons of different colors. After the work was done up, at a given signal each one took off her apron and they

tied them onto the ladies of the house, nearly covering them with these useful articles of wearing apparel. All regret to lose the Kenyon family from their midst. E. B. K.

One of the most elaborate events of the season was the silver wedding anniversary last evening of Mr. and Mrs. L. Baum, 1007 East Sixth street. The evening was devoted to playing whist, the first prize being awarded to Mr. M. Baum, Sr.; second to Mrs. Cohen of Joplin. The house was tastefully decorated in carnations and potted plants. One of the novel features of the evening was the mock marriage ceremony which was performed by Rev. F. Becker of Pine Bluff, Ark., and then hearty congratulations were extended, after which all present repaired to the dining room and enjoyed an elegant eight course dinner, which consisted of all the delicacies of the season. Among those present were the following: Messrs and Mesdames Wm. Aach, M. Baum, Leo Marx, L. Baum, F. Decker of Pine Bluff, Ark., David Baum, L. Tree, Mesdames J. Tree, Sadie Hirsh, Messrs. M. Baum Sr., Willie and Louis Baum; S. Hurwitz and wife, A. Cohen, and wife and Misses Mamie Behrman and Esther Cohen of Joplin; Dr. L. Hurwitz of St. Louis and Max Becker. Mr. and Mrs. Baum were the recipients of many handsome presents. All present voted having had a grand time.—Galena (Kan.) Daily News.
