

Scrofula

THE OFFSPRING OF HEREDITARY BLOOD TAINT.

Scrofula is but a modified form of Blood Poison and Consumption. The parent who is tainted by either will see in the child the same disease manifesting itself in the form of swollen glands of the neck and throat, catarrh, weak eyes, offensive sores and abscesses and oftentimes white swelling—sure signs of Scrofula. There may be no external signs for a long time, for the disease develops slowly in some cases, but the poison is in the blood and will break out at the first favorable opportunity. S. S. S. cures this wasting, destructive disease by first purifying and building up the blood and stimulating and invigorating the whole system.

J. M. Seals, 115 Public Square, Nashville, Tenn., says: "Ten years ago my daughter fell and cut her forehead. From this wound the glands on the side of her face became swollen and burst. Some of the best doctors here and elsewhere attended her without any benefit. We decided to try S. S. S., and a few bottles cured her entirely."

SSS makes new and pure blood to nourish and strengthen the body, and is a positive and safe cure for Scrofula. It overcomes all forms of blood poison, whether inherited or acquired, and no remedy so thoroughly and effectively cleanses the blood. If you have any blood trouble, or your child has inherited some blood taint, take S. S. S. and get the blood in good condition and prevent the disease doing further damage. Send for our free book and write our physicians about your case. We make no charge whatever for medical advice.

 General display advertising 18 1/2 cents per inch per issue.

COWLES

Homer Kinsel, the noted mid-road pop, was in town a few days this week. Mrs. John Storey and daughter Edith spent Sunday in Inavale visiting friends and relatives.

The A. O. U. W. will give a grand ball in their new hall soon. The date has not been set but they are making preparations. They have secured a Hastings orchestra to furnish the music. Supper and ice cream will be served up stairs and the dancing will be on the first floor. Watch for the date, which we no doubt can report next week.

Whenever we make a statement that is not correct we always like to apologize to set the offended parties right. In the first place we reported last week the Red Cloud ball team as being considerably under the influence of liquor but have since learned that said drunks had no connection with the ball team. Also we reported Dr. Mall as having his office in Brown's hotel but have since learned he is located in the Turner flat. We also reported that Jack Waller had gone to work after an eleven months' lay-off, but it was a mistake. Chris Koehler was in Cowles this week.

J. B. Watson was in town a few minutes Wednesday.

The school entertainment last Friday was a grand success. The stage was tastefully decorated and those taking part showed careful training. Standing room was at a premium and the entertainment was a success financially as well as otherwise. Misses Farquhar and Brown deserve great credit.

Ask Hutch if he is a pretty good shot by lamp light, but be ready to hide and be sure you hide well for if you do not he will be sure to ferret you out.

What we said about Cowles getting in the front rank is all right. She furnished two correspondences last week to the CHIEF. The new correspondent is all right, but we thought it sounded a little Rippey.

We don't care to say anything about Bart helping John Waller do his chores every night, for he might get hot.

A number of our young folks attended a dance at Sam Arnold's Saturday night.

The glee club is practicing for memorial day services.

M. Heanes, the official "shicken" buyer at this point is doing a land office business these days. He ships from three to six coops a day. Another point that we are not afraid to compete with surrounding towns. We think for good society and "shicken" buying we can beat any town in the county.

STATE CREEK.

Corn planting has been the order of the day since about April 20th though it will soon be a thing of the past, as there has been a great many acres planted and the farmers are about through. Some are sowing considerable millet.

Alfalfa is something that when I lived back east I read of but knew nothing about, and now I presume there are many others in the same condition, and were I to write to an old friend back in Iowa or some other state and tell him it was as good or a better feed than the red clover he would not believe me. But I will make the statement here and if he chances to read it he could not doubt it for a minute as it will bear inspection. It is proving to be a great crop, is cut as many as four times a year and will grow taller than the large red clover. The first crop is now in some fields at least 24 inches high and about ready to mow, and will make two tons to the acre or eight tons in one year. Hogs will do on one half the corn if fed on the fourth crop hay in winter. We sow it here in Nebraska and Kansas any time from February to June, fixing our land for it about as we do for millet or other small seed. Some would not believe me if I should say that I could point out hundreds of old settlers who came here without means and who are now rich and own sections of land and herds of cattle and hogs. One of my neighbors last year sold 75 head of hogs at one time for \$1667. Another sold \$1400 worth in the fall and spring. One man near town sold 90 head of hogs last winter for over \$1000, and now has over 1800 bushels of wheat in his granary. Another one of my neighbors has 1200 bushels in his bins, and we raised her last year from 16 to 31 1/2 bushels per acre, and corn that measured 25 bushels per acre, and then we hear it said that the corn crop failed last year. No doubt there are many in the east who believe all of those exaggerated drouth stories and think we are actually suffering for bread.

Hogs sell here at present for \$5.85 to \$5.65; corn only 40 cents.

Cattle are high and some of them that had no grain last winter will soon be fat on the grass.

The first planting of corn is up and will soon have to be harrowed or plowed.

Wheat and rye headed out.

Potatoes are up and have been worked once.

Gardens look splendid.

Now some one may chance to see this that may think I am only trying to boom the country but I am simply stating facts as though under oath.

WILLOW CREEK.

Quite a number from Cowles and Willow Creek attended the party at Mr. Arnold's last Saturday night, given in honor of Miss Marion Church.

Mr. and Mrs. Barcus from Kansas are visiting with relatives this week.

Cecil Sheets from Guide Rock was on the creek Sunday afternoon.

Some people can't take a hint without a "kick" and in the future girls be careful how you tread on other people's toes. How are you Fay?

The new hall at Cowles is nearing completion and the Workmen are going to let the boys initiate it by giving a dance.

Miss Dora Lacy spent last Sunday with Carrie Arnold.

Mrs. Charles Fuller from Cowles was visiting on the creek with her daughter Mrs. Adamson last Tuesday.

Myrt Adamson is putting up a new windmill.

Jesse may be in the millinery business but not very extensively, for if you notice he hasn't very much of a variety in the hat line. This calls to mind Just One Girl.

Alva Thomas Reed, known to the residents of Red Cloud and vicinity as "Uncle Tommy," died at his home in this city Monday, May 20th, from extreme old age. The deceased was born at Boston, Mass., August 15, 1808, and at the time of his death was nearly ninety-three years of age. He served in three wars, the Seminole war in 1837, the Mexican war and war of the rebellion. After the Seminole war he served the government in the capacity of an interpreter in treating with the Indians. When the trouble arose with Mexico he enlisted with General Winfield Scott and served under that redoubtable leader throughout the war. He again took up arms in the defense of his country at the first call for volunteers by President Lincoln. With his family he came to Webster county in 1873 and located on a farm northwest of Red Cloud where he lived until a few years ago when he moved to town. The funeral services were held Tuesday afternoon under the auspices of the G. A. R. and the remains laid at rest in the Red Cloud cemetery. A wife and six children survive him, to whom he attended the sympathy of the entire community.

How Are Your Kidneys?

Dr. Hobbs' Spargens Pills cure all kidney ills. Get free. Add Sterling Remedy Co., Chicago or N. Y.

"Played Out"

Is one of the curious expressions used for worked out. Many a woman drops into a chair, in utter weariness "all played out," and wonders why she feels so weak. She has not yet realized that the general health is so intimately related to the local health of the womanly organism, that weakness must follow womanly diseases.

Restoration of the general health invariably follows the use of Dr. Pierce's Favorite Prescription. It regulates the periods, dries weakening drains, heals inflammation and ulcers, and cures female weakness. It tranquilizes the nerves, encourages the appetite and induces refreshing sleep. There is no substitute for "Favorite Prescription," for there is nothing "just as good" for womanly ills.

I wish to advise the suffering women of this great land of the good I have received from Dr. Pierce's Favorite Prescription and "Golden Medical Discovery," writes Mrs. Mary Shappell of Columbus Grove, Putnam Co., Ohio. "For four years I had been a sufferer from female troubles, and at times was unable to do even the house work for three in the family. I had such pains that I suffered almost death dozens of times, but after taking five bottles of your medicines I can truthfully say that my health was greatly improved. I have a good appetite and am gaining in flesh right along. This spring is the first time in five years that I have done my house cleaning all by myself and without the least fatigue whatever. I hope all suffering women may find relief as I have done. My gain in weight has been just ten pounds, and I am still gaining."

Dr. Pierce's Common Sense Medical Adviser, 1008 large pages, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only, or for cloth-bound book, send 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

ALFRED HADELL.

DECORATION DAY EXERCISES

Unveiling of Ex-Congressman

McKeighan's Monument.

RED CLOUD, NEBRASKA, MAY 30, 1901.

Hon. W. J. Bryan will Address the People on the Occasion and Ex-Senator W. V. Allen will Deliver the Oration.

After Invocation the McKeighan Monument will be Unveiled by Miss Edith McKeighan Daughter of the Late Congressman.

EXCURSION - RATES - ON - RAILROADS.

Let everybody arrange to spend all day in Red Cloud. Bring your families as it will be a day long to be remembered.

The procession will form on Webster Street at 12:30, headed by members of the Grand Army of the Republic, and march to the cemetery. On arriving at the cemetery there will be an address by R. T. Potter on behalf of the G. A. R.

The ceremonies of the day will be under the auspices of the G. A. R., W. R. C. and Monumental Committee.

Everybody come.

Hon. John R. Thompson, presiding officer for Unveiling Ceremonies.
