Whenever you need anything in the drug line you always want to be sure that you are getting the genuine article and when convinced on this most important point you will trade at that store. This is one of the chief reasons why Mr. H. E. Grice enjoys such a liberal patronage from the citizens of Red Cloud and surrounding country. He carries one of the best stocks of drugs to be found in this section of Nebraska, and by persistent and legitimate business methods has built up a splendid trade. Whenever you want anything in paints, wall paper, etc., you will be wise to give this house a call.

HENRY COOK, M. D.

Of course you want the purest and best that money will purchase and that being the case no better place can be found than the store kept by Dr. Henry Cook. This business was established twenty-one years ago, and he has made his business a most successful one. He carries besides drugs, proprietary articles and paints, a nice line of wall paper. He is an expert compounder of prescriptions, and makes a specialty of the filling of all kinds of family recipes.

SHERER & REYNOLDS

People in this part of Nebraska can afford to eat meat, and good meat too. This they get at the market of Sherer & Reynolds, first door west of the post-office. Here can be seen an elegant line of fresh and salt meats, beef, pork, mutton, etc., and all displayed in a manner that tempts even the passer-by. They also handle fish, poultry and game in season and make this a special feature of their business. They are always in the market for young fat butcher stock, and will pay the top price for hides. If you have never tried this shop give them a trial as they will treat you right.

A WORTHY SUCCESSOR.

"Something New Under The Sun."

All Doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers, and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures Catarrh by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as Snuffles the Guaranteed Catarrh Cure and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or cold in the head.

Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed Catarrh Cure."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. A 402, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia.
