#### JOHN GILBERT.

In looking over the horseflesh of Webster county our attention was directed to the two trotting stallions of Mr. John Gilbert at Day's livery barn. Our attention was first called to the stallion Oscar Wagner, No. 30507, with two Wilkes crosses, one through the great Onward and one Electioneer cross through Norval the greatest living sire. Inavale comes next with three Wilkes crosses, two through Onward and one through Red Wilkes. To lovers of fine road horses we will say without successful contradiction that these are two of the best trotting bred stallions that ever stood in Red Cloud. You should not fail to look at these horses as they are models of their type. For particulars call at the Day barn, they will be there the last four days of each week.

#### THE COWDEN-KALEY CLOTHING COMPANY.

Merit wins in the end; but good clothes hastens success. The styles of dress adopted by a city's population form an interesting study. One man will be slovenly dressed, while another will be well dressed, his clothes fit well and wear long. The man who is looking for style, something substantial and business like will not go amiss if he drops into the Cowden-Kaley clothing store. This business was established by Mr. Chas. Weiner in 1884, and has been run under the present management for the past three years. From the beginning this house has been recognized as a leader, and the stock has always been kept up to date and fresh. The premises used comprise a floor space of 2500 square feet with an upper room used for reserve stock. Both gentlemen give their personal attention to the business. Mr. Cowden is the manager and buyer for the house while Mr. Kaley acts in the capacity of treasurer and attends to the correspondence. ward the city's upbuilding or advancement. He is ever faithful in attendance, kind and sympathetic in the sick room and prompt in action and decision. He is a graduate of Rush Medical college, Chicago, class of 1882, and has practiced his profession in this city for the past nineteen years.

#### RIGHT UP TO DATE.

(Benson's Plaster is Pain's Master.)

These are days of records and of the beating of records. Benson's Porous Plaster, for quickness of action and thoroughness of cure, has no records to beat except its own. Benson's Plaster, always the best, always the leader, is to-day better than ever. It sticks to the skin but never sticks in its tracks. It marches on.

The people not only want to be cured but cured quickly—and Benson's Plaster does it. Coughs, colds, lumbago, asthma, bronchitis, liver and kidney complaints, and other ills approachable by an external remedy, yield to Benson's as it does to heat.

Neither Belladonna, Strengthening or Capsicum plasters are to be compared with Benson's. People who have once tested the merits of Benson's Plaster have no use for any other external remedy.

More than 5,000 physicians and druggists (and a thousand times as many non-professional persons) have called Benson's Plaster one of the few (1) home remedies that can be trusted.

Fifty-five highest awards have been made to it in competition with the best known plasters of Europe and America. Better proof of its merits is inconceivable. Be sure to get the genuine.

For sale by all druggists, or we will prepay postage on any number ordered in the United States, on receipt of 25c. each.
