

When the Hair Falls Out

accompanied by mucous patches in the mouth, eruptions on the skin, sore throat, copper colored spots, swollen glands, aching muscles and bones, the disease is making rapid headway, and far worse symptoms will follow unless the blood is promptly and effectually cleansed of this violent destructive poison.

S. S. S. is the only safe and infallible cure for this disease, the only antidote for this specific poison. It cures the worst cases thoroughly and permanently.

My Condition Could Have Been No Worse.

In the fall of 1907 I contracted Blood Poison. I tried three doctors, but their treatment did me no good; I was getting worse all the time. My hair came out, ulcers appeared in my throat and mouth, my body was almost covered with copper colored spots and offensive sores. I suffered severely from rheumatic pains in my shoulders and arms. My condition could have been no worse; only those afflicted as I was can understand my sufferings. I had about lost all hope of being well again when I decided to try S. S. S., but must confess I had little faith left in any medicine. After taking the third bottle I noticed a change in my condition. This was truly encouraging, and I determined to give S. S. S. a thorough trial. At that time on the improvement was rapid; S. S. S. seemed to have the disease completely under control; the sores and ulcers healed and I was soon free from all signs of the disorder; I have been strong and healthy ever since.

L. W. SMITH, Lock Box 511, Noblesville, Ind. is the only purely vegetable blood purifier known. \$1,000 is offered for proof that it contains a particle of mercury, potash or other mineral poison. Send for our free book on Blood Poison; it contains valuable information about this disease, with full directions for self treatment. We charge nothing for medical advice; cure yourself at home.

Gratitude

Always seeks to find some expression for itself, and womanly gratitude will not keep silence. Cynical people sometimes say "Why do women write these testimonials to the value of Dr. Pierce's Favorite Prescription?" The answer can be put in one word, Gratitude. When, after years of agony a woman is freed from pain, when the weak woman is made strong and the sick woman well, the natural impulse is to write a word of grateful thanks for the medicine which caused the cure.

Dr. Pierce's Favorite Prescription cures diseases peculiar to women. It establishes regularity, stops weakening drains, heals inflammation and ulceration and cures female weakness.

Having used Dr. Pierce's Favorite Prescription and Golden Medical Discovery during the past year, I can truthfully recommend the medicine for all female weaknesses. I have used several bottles of Favorite Prescription which I consider a great blessing to weak women. I was so nervous and discouraged that I hardly knew what to do. Your kind advice for home treatment helped me wonderfully. Thanks to Dr. Pierce.

Dr. Pierce's Pleasant Pellets cure biliousness, and sick headache. They should be used in connection with Favorite Prescription whenever the use of a laxative is indicated.

ALMOST FORGOTTEN.

Incidents of Every Day Life Which Very Few People Stop to Think About on Account of Their Liteness.

From present appearances Red Cloud will have no Fourth of July celebration this year.—We believe that this is where the business men fall down—Even if it does cost them a five or a ten they ought to be willing to provide one day of enjoyment and amusement for their patrons from the country.—A good proportion of the business men are progressive but they are handicapped by a number who want to feel the color of a large profit for every piece of money they let go of.—The boys and girls of this city and vicinity will have a chance to spend the Fourth in some other city and perhaps camp out on the school house steps.—About this time a year ago this paper kept up a lively knocking for a brick hotel and other brick buildings.—We are glad to say now that we are going to have both.—Now that the school kids are turned loose their parents will probably long for the day when school opens up again.—The kids have well earned their vacation and should enjoy it while they may.—Picnic parties will be on and after they get started we can look for rain.—Just at the present time death by the suicide route seems to be the order in Lincoln and other places.—Any person contemplating this step should think seriously over it for when you get the job done you will be a long time dead.—But talking about suicide, the city water we are getting now is enough to drive a man either to this or drink.—But don't drink the city water or the doctor will have to use a sand pump instead of an emetic to get you out of danger.—The sweet girl graduate and the young men who will make our future statesmen are having their inning this week.—The good looking school marm will have hers next week.—We understand that the merry-go-round will be kept here another week for her special pleasure and amusement.—The boys are not every day that they can get to ride with a school marm.—The fire west of town on Wednesday night set some persons to thinking of what might have happened if the cry of fire had been raised on the street.—With the opera house packed with its dense throng of humanity it would have been nothing less than a miracle if a disastrous stampede had not been made for the exits and loss of life ensued.—Each year the graduating exercises have to be held here on account of the fact that no other place available is adequate to hold the crowd.—Many persons gave up the pleasure of attending these functions for the very reason that they would rather be alive and absent than dead and present.—The day may come when these words may be recalled with bitter sadness.—The only way out of it is to stand up for Red Cloud and build a ground floor opera house.—Now is the accepted time.—Let several of our enterprising men get together and set the ball rolling.—Donations of cash, brick, lumber and lots in exchange for stock will build it and no one will particularly notice the outlay.

A WORTHY SUCCESSOR.

"Something New Under The Sun."

All Doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers, and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures Catarrh by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as Snuffles the Guaranteed Catarrh Cure and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or cold in the head. Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed Catarrh Cure." Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. A 402, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
