

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 2704 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unflinching cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions.

SSS purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.

Institute Notes.

Institute opened at eight o'clock Monday morning. By evening over one hundred teachers had enrolled and more have since enrolled.

Prof. S. W. Miller of Lincoln is instructor in grammar, reading, literature, English composition and civics.

Prof. W. M. Kern of David City is instructor in history, geography, physiology, didactics, arithmetic and book-keeping.

Prof. Miller has been institute instructor here for three years, and Prof. Kern, for two years.

Mrs. Case deserves much credit for securing the services of two such able men.

Miss Celia A. Gorby of McCook is instructor in drawing, orthography, primary reading, numbers and language. She also leads the singing in the morning and at noon.

Mr. Dresbach of Guide Rock has one class in arithmetic.

Monday evening all the teachers were entertained at an informal reception at the pleasant home of Mrs. Case. There were amusements of various kinds and everyone spent a most delightful evening. During the evening a sheet of tissue paper was given to each one present. Each one was requested to make something of their paper. Articles of almost every description were manufactured. Miss Rose Thorne secured the first prize and Miss Grace Skjelver secured the second prize.

Sherbet and cake were served throughout the evening.

Tuesday evening there was a meeting of the Webster County Teachers' Reading Circle, at the M. E. church, and the following program was carried out:

Invocation, Rev. Cobb.
Music, Jos. Dresbach.

Report of the secretary of the W. C. T. R. C.

General review of literary work for the year, led by Ada Skjelver.

How may we make our work in Geography more effective?—Mame Beale.
Music, Quartette.

The Teachers' Reading Circle from the point of view of an institute instructor.—Prof. Miller.

Work done by pupils of Webster county's city, village and country schools, is on exhibition in one of the rooms. Teachers can there gain more information, and also gain new ideas for their next year's work in school.

Among the many visitors at institute were noticed, Mrs. Geo. Morhart, Mrs. F. W. Cowden, Mrs. Romsberg, Mrs. Letson, Mr. and Mrs. Xanders, Misses Lizzie Marker, Ella Rensberg, Mabel Wells, Myra Griffith, Mame and Ruth Householder, and Lillian Ramey.

The best of order prevails throughout the building and institute work is very

pleasant as well as very profitable.

There will be lectures on Thursday and Friday evenings.

A Holiday in California.

A month in California is an education of the best kind.

It will give you new ideas, sharpen your powers of observation, bring you into contact with people who regard life from an unusual standpoint.

Go there next July—at the time of the Epworth League meeting in San Francisco.

Never will you have a better opportunity. Never have the rates been so low.

Think of it—\$15 for a round trip ticket from Omaha to San Francisco. Less than the regular one-way rate. Stop-overs allowed going and returning. Tickets good to return until August 31.—J. FRANCIS, General Passenger Agent, Omaha, Nebraska.

That young woman from Concordia who is starting out into the world with the intention of raking in a competence by making an exhibition of a wilderness of tattoo marks on her shapely body, is making the mistake of her life. She ought to gather in a few frank notions, secure a bunch of attitudes, and do a little of almost anything I want, and in the political arena. A Lady's Lunch

Has been rudely defined by some cynic as "slops and sweets." And after all there's more truth than poetry in the definition. Ice cream and cake may satisfy the palate, but they are far from satisfying to the stomach, which requires that food be nutritious first and nice afterward. By careless eating women pave the way for stomach "trouble," and its kindred miseries.

Dr. Pierce's Golden Medical Discovery is confidently commended as a cure for diseases of the stomach and other organs of digestion and nutrition. By curing diseases which prevent the assimilation of food it enables the body to be built up and strengthened in the only way known to nature—by food digested and assimilated.

"For twelve long months I suffered untold misery," writes Mrs. Mollie Colgate, of Randolph, Charlotte Co., Va. "No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine. I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me, with all that I could do it would burn like fire. But now, since using your 'Golden Medical Discovery' and 'Favorite Prescription,' I can eat a good day's work as well as anybody can. Am better than I have been for years."

Dr. Pierce's Pleasant Pellets cure sick headache.

A WORTHY SUCCESSOR.

"Something New Under The Sun."

All Doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers, and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures Catarrh by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as Snuffles the Guaranteed Catarrh Cure and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or cold in the head.

Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from a discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed Catarrh Cure."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. A 402, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also

convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
