The ice cream party at Will Aubushon's Sunday was attended by Mr. and Mrs. Labon Aubushon, Mrs. Richard Keagle, Mr. and Mrs. E. W. Anderson and family, and Benjamin and Melva VanDyke. All report a good time.

BLUE HILL.

Photograph tent in town. Boys and their best girls getting their pictures taken.

The Fourth of July stood on its head in Blue Hill, or the people, or as Samantha Allen puts it "vice versa just the same."

Mr. W. Ashby of Oxford has returned to his first love, and may his shadow never grow less. We welcome Brother A cordially.

Ice cream social at the M. E. church Tuesday evening. Oh, my, how the girls do like the boys when they dish up the frozen cream.

Too hot to get a quorum of the A. O. B. H. P. When the weather becomes more endurable we will have some degree work. Have some interesting candidates for the mystic rites of the order.

Rev. McConough returned Saturday from his vacation of four weeks at Kansas City, where he attended the school of oratory. He reports that city as "a hot member" and thinks Blue Hill pleasant.

The Ladies' Aid Society of the Presbyterian church enjoyed Thursday at "Sweezy's on the Blue." They took their thimbles, also well filled baskets of provender. Rev. McConough went as chaperon, or general utility man.

Another new threshing outfit unloaded here Wednesday, and commenced work for Mr. Jacob Goll. The wheat is yielding twenty bushels or more per acre, and is a fine quality but the price is low. However it is the only crop the farmer will realize any thing from this year and he will not get rich either.

COLUMBUS.

We give notice right now that we refuse to take care of any one's bird while they are away sleeping under blankets at summer resorts; also, that we refuse to chase the boys out of our neighbor's fruit trees when he is away on his summer vacation. The man who stays at home must have some joys, even if they are of a revengeful nature.

GARFIELD.

The weather continues hot and dry. Rev. Gost preached at the Ash Creek M. E. church last Sunday morning.

The League holds their services at night now instead of in the afternoon. Some of the farmers are mowing their oats for hay.

Charles Ailes sold a load of fat hogs this week.

Earl McCartney was visiting in the east part of the township the fore part of the week.

Geo. Houchin marketed a load of hogs last Friday.

Fishing appears to be the order of the day. Fishing consists chiefly in wading around in the sand of the river looking for water.

Mr. and Mrs. Hansen were guests of Mrs. Smith last Sunday.

Frank Amack has just completed a deal by which he purchased 100 acres of the old Joel Martin farm and the same day sold twenty acres to N. L. D. Smith.

James DeWitt and wife departed last Thursday for the land of the Mormons where they expect to make their future home. They were good citizens and we are sorry to lose them from our community.

The latest addition to Garfield township is a little deacon which arrived at the home of J. J. Smith the last of the week, and concluded to stay there indefinitely. Mother and son doing nicely.

AMIDOWN.

BURGARD-HENDERSON.

On Wednesday, July 17th, a quiet and happy event occurred at the home of Mr. and Mrs. F. S. Henderson, at Womer, Kansas.

At high noon their accomplished daughter, Miss Jessie, was given away in marriage to Mr. Homer Burgard.

Mr. Burgard is a prosperous young farmer of Crystal Plains Kansas. For the past year he has been at Womer where he has been engaged at his trade as a carpenter, where he has made many friends.

Miss Jessie is well and favorably known in Red Cloud, having resided here the greater part of the past ten years, during which time she has gained the love and esteem of a host of friends. Since graduating from the Red Cloud high school, in the class of 1900, her home has been at Womer, where she has been employed in the store of Mathes Brothers. An able and efficient clerk she has won the esteem of a wide circle of friends.

Mr. and Mrs. Burgard will make their future home at Crystal Plains, Kansas.

May their lives be one long summer day of happiness.

A certain man slipped out on a night train last week and went to a town at least as far away as Inavale. He drove back and came in on a side street. He read the newspaper that evening and found that his name was not in the personal column, and now he wants to cancel his subscription without paying up.

ELY-SMITH.

Thursday evening, July 18, at 7:30 p. m., the marriage ceremony of Mr. Alden Ely, of McCook, and Miss Pearl Pauline, the charming daughter of Mr. and Mrs. E. B. Smith, took place at the residence of the bride.

The ceremony was performed by the rector of the bride, the Rev. Wm. H. Sanders, of Grace Episcopal church.

The guests present were the immediate friends and relatives of the bride.

The ceremony was beautiful and impressive and all the incidents and surroundings rendered the occasion one of the most graceful and beautiful we have witnessed in many a day.

The parlor where the ceremony took place was neatly, not profusely, fitted for the occasion.

The bride looked charming in her wedding tresson, never more beautiful, and the groom looked as though he appreciated the rich gift he was getting. That these with the friends formed a charming scene as they gathered in bridal array to aid in the consummating of the most holy of ceremonies, is clear to the eye of the least imagination, for such scenes are beautiful even when least set off with the touches of refined taste. Its simplicity lends a charm upon which the mind's eyes delight to dwell as young life joins hands and embarks upon the nuptial journey full of hope, full of joy, full of faith one in the other. Such a scene was this.

After the ceremony came congratulations.

The groom is well and favorably known in this city. The bride is one of the most charming, beautiful and accomplished young ladies of Red Cloud, and is held in the highest esteem by a large number of friends for her many good qualities of head and heart.

The happy couple are now on their wedding trip and after their return will reside in McCook.

That their lives may be full of sunshine, and happiness wait upon them always, is the wish of every friend.

A wise guy who knows, declares the biggest trust on earth has been discovered at last. He says: "They trust everybody, get cussed for trusting; and trusted for cussing. Yes sir; the county newspaper trust is the biggest trust on earth or any old place." Perhaps the fellow knows, but the experience of the successful editor of today is to trust no one, not even his best friends.—Ex

FATE.

It is very convenient to attribute the disasters which overtake us to fate. But for the most part man is the author of his own fortunes. Business men are struck down suddenly as by lightning. The verdict is generally "heart failure." "His heart was weak. It was fate for him to meet this end." But if we went behind the "weak" heart we should find a "weak" stomach, probably, and back of the weak stomach is careless eating at irregular hours.

When the stomach is diseased the organs depending on the stomach for nutrition are starved. Starvation means weakness of the body and its organs.

Dr. Pierre's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. When these organs are cured, diseases of heart, liver, lungs and kidneys, caused by the diseased stomach, are cured also.

"In the fall of 1897 I was taken with another-ting spells, palpitation of the heart, and a distressed feeling in my stomach," writes Mr. H. W. Kinney of Knight Duxbridge Co., West Va. "I consulted a doctor and he said I had organic heart trouble. He gave me some medicine, but it did me no good. I then tried different kinds of patent medicines, but they only helped me a little. I then sent and got five bottles of Dr. Pierre's Golden Medical Discovery. Before the first bottle was gone I felt a change. When the five bottles were gone I began to work. I had not worked any for a year before."

"I am well and can eat anything now with the exception of pork and greasy food."
