Outing for busy business men. Yellowstone Park is the place to go if you can get away from your business for only ten days or two weeks at a time. The trip there and back can be made in little more than a week. And such a week. For enjoyment, novelty and interest it will eclipse anything in your experience. The air is delicious—cool as cool can be. The scenery is magnificent, and the 150 mile stage ride past geysers, boiling springs, lakes and canyons, is enjoyable in the highest degree. Write to J. Francis, General Passenger Agent, Burlington Route, Omaha, Nebraska, for folder giving full information about the Park. It contains a large map of the Park as well as a description of the principal points of interest. Excursion rates daily. Ask the ticket agent about them.

In a Glass of Water.
Put a handful of glazed coffee in a glass of water, wash off the coating, look at it; smell it! Is it fit to drink? Give **LION COFFEE** the same test. It leaves the water bright and clear, because it's just pure coffee.
The sealed package insures uniform quality and freshness.

ON FIRE.

An exploding lamp; the clothing in a blaze; a paragraph in the paper telling of horrible suffering from burns. Tragedy in this form moves a man to tears. But for women who are daily being consumed by the smouldering fire of disease there is little sympathy.

Inflammation, with its fierce burning; ulceration, eating into the tissues; the nervous system almost shattered by suffering; these are only part of the daily agonies borne by many a woman.

Dr. Pierce's Favorite Prescription puts out the fire of inflammation, heals ulceration, and cures female weakness. It tranquilizes the nerves, restores the appetite, and gives refreshing sleep. "Favorite Prescription" is the most reliable put-up medicine offered as a cure for disease peculiar to women. It always helps. It almost always cures.

"When I first commenced using Dr. Pierce's medicines," writes Mrs. George A. Strong of Gansswoort, Saratoga Co., N. Y., "I was suffering from female weakness, a disagreeable draining-down pain, weak and tired feeling all the time. I dragged around in that way for two years, and I began taking your medicine. After taking first bottle I began to feel better. I took four bottles of Dr. Pierce's Favorite Prescription, two of 'Golden Medical Discovery' and one bottle of Dr. Sage's Catarrh Remedy. Now I feel like a new person. I can't thank you enough for your kind advice and the good your medicine has done me."

Dr. Pierce's Common Sense Medical Adviser, paper bound, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
