

Forewarned, Forearmed.

The liability to disease is greatly lessened when the blood is in good condition, and the circulation healthy and vigorous. For then all refuse matter is promptly carried out of the system; otherwise it would rapidly accumulate—fermentation would take place, the blood become polluted and the constitution so weakened that a simple malady might result seriously.

A healthy, active circulation means good digestion and strong, healthy nerves.

As a blood purifier and tonic S. S. S. has no equal. It is the safest and best remedy for old people and children because it contains no minerals, but is made exclusively of roots and herbs.

No other remedy so thoroughly and effectually cleanses the blood of impurities. At the same time it builds up the weak and debilitated, and renovates the entire system. It cures permanently all manner of blood and skin troubles.

Mr. E. E. Kelly, of Urbana, O., writes: "I had Bozema on my hands and face for five years. It would break out in little white pustules, crusts would form and drop off, leaving the skin red and inflamed. The doctors did me no good. I used all the medicated soaps and salves without benefit. S. S. S. cured me, and my skin is as clear and smooth as any one's."

Mrs. Henry Stegried, of Cape May, N. J., says that twenty-one bottles of S. S. S. cured her of Cancer of the breast. Doctors and friends thought her case hopeless.

Richard T. Gardner, Florence, S. C., suffered for years with Bozema. Two bottles of S. S. S. put his blood in good condition and the Bozema disappeared.

WM. WOLFE.

The first ward caucus is called for Friday evening, August 16.

It has been dry so long that it even bothers a sunflower to spring out a sickly yellow blossom.

One fellow in this town is having a whole lot of trouble with a shirt waist. He never wears one himself, however.

Why don't some one start the ball to rolling on that new opera house project? You'll have to hurry if you expect to use it the coming season.

Tomorrow, August 10, is the day set for the steel and iron workers of the United States to strike, if their demands are not complied with.

The rain of Thursday was a blessing to mankind, other animals and also crops. For the latter it came a little late but it will greatly help pastures.

At a meeting of the democratic, populist and free silver state central committees in Lincoln Wednesday the date of the state convention was fixed for September 17.

Now that Dr. Koen has decided that there is no danger to the human system in tuberculosis beef, how would it do to have him pass upon the kissing question? There are some people who would like to abolish the theory that a kiss has microbes.

W. J. Bryan in his speech to the populists of the state committee, at Lincoln last Wednesday, spoke energetically in favor of fusion, and wanted the reform forces to stand together and work together. He forgot to tell them just what party would be benefited by this "stand together and work together" idea of his.

Secretary of Agriculture Wilson is attributing the drouth to the destruction of the forests. Deforesting produces arid plains, and arid plains are the breeders of hot winds. With growing timber that is properly distributed throughout the country there will be little danger of destructive drouths.

The free silver republicans of this county will no doubt be pleased to know that at the meeting of their state central committee this week it was resolved "to disband their organization to better cooperate with the reform forces of the state." This will give them a chance to join either the democratic or populist parties as best suits their ideas.

As a result of the falsehoods sent out by correspondents, the Cincinnati Post publishes a picture showing a Kansas family sitting in a doorway and looking like Cuban concentrados, with their ribs sticking out. They are gazing in a dejected way at the sky, while a thin cow looks in vain at the pump, and buzzards are eating the remains of other cattle which have perished for want of water.—Clay Center (Kan.) Times.

James R. Wood, the winner of claim number one in the Lawton district land lottery, already has a contest suit on hand. Mr. Woods showed a hoggish disposition by filing on two eighty acre tracts on the south side of the townsite of the most valuable claims in the tract, and thus compelling Miss Mattie Beals, the Wichita telephone girl who drew number two to take the other two eighty in the same quarters, but which were not near so valuable. According to the government plan two claims were made to join in the Lawton townsite on the south. Five hundred Lawton business men have signed the contest papers, which recite that Wood violated both the spirit and the letter of the homestead law.

ALMOST FORGOTTEN.

Incidents of Every Day Life Which Very Few People Stop to Think About on Account of Their Littleness A WORTHY SUCCESSOR.

"Something New Under The Sun."

All Doctors have tried to cure Catarrh by the use of powders, acid gases, inhalers, and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures Catarrh by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as Snuffles the Guaranteed Catarrh Cure and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or cold in the head.

Catarrh when neglected often leads to Consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed Catarrh Cure."
